Just Say No to Microsoft Tony Bove, 2005 *Just Say No to Microsoft* begins by tracing Microsoft's rise from tiny software startup to monopolistic juggernaut and explains how the company's practices over the years have discouraged innovation, stunted competition and helped foster an environment ripe for viruses, bugs and hackers. Readers learn how they can dump Microsoft products even the Windows operating system and continue to be productive. The book also shows how to work successfully and seamlessly with computers and people who are still hooked on Microsoft software. Includes full explanations of alternate operating systems such as Linux and Mac and outlines various software applications that can replace the familiar Microsoft products.

Six Figures While You Sleep Kate Toon, 2024-07-30 If you don't find a way to make money while you sleep, you will work until you die. Warren Buffett Tired of exchanging your time for money. Wish you could work less and earn more. No matter what your industry or skill set, you can say goodbye to the nine-to-five grind and use this book as a blueprint to create and grow a profitable digital product business. In *Six Figures While You Sleep*, Kate explains how you can transform your service-based skills into lucrative online products from coaching and courses to digital downloads, memberships and masterminds. She walks you through the positioning, processes, pricing and profile building, explaining the tech, the marketing, the sales tactics and how to keep customers coming back for more. Will it be an entirely passive income? No. Will it be highly profitable? Absolutely.
