## **Peaceable Witness Among Muslims:**

**Peaceable Witness Among Muslims** Gordon D. Nickel, 1999 This book provides a unique treatment of Christian engagement with Muslims The author offers provocative innovative proposals for drawing on the Anabaptist peacemaking heritage to develop a peaceable method for communicating the gospel of peace among Muslims For many centuries relations between Christians and Muslims have been stormy at best What would happen if Christian speaking and action among Muslims flowed from the gospel Christians profess That gospel is a song of great beauty suggests Nickel which deserves to be sung faithfully enough for its loveliness to be heard And that is precisely the song Nickel aims to sing as in eleven chapters backed up by an extensive bibliography he explores its details and shadings *Toward a Healthier Contextualization among Muslims* Wonjoo Hwang, 2019-01-23 Various ministry approaches have been utilized in Muslim nations in the past in order to lead lost souls into God s Kingdom One noticeable trend in recent years in the ministry is an increasing emphasis on contextualization While the evangelical missiological community searches for more effective contextualization models some ad hoc proposals have complicated the issue One representative case is the Insider Movement among Muslims whose advocates contend that Muslim followers of Isa Jesus can remain within their own Islamic socio religious community while continuing in Islamic religious practices What is urgently needed in the contemporary discussion on contextualization is to develop a comprehensive analytical framework based on a sound biblical theological foundation for evaluating any missiological model After reviewing the historical development of Muslim evangelism models this study provides such an analytical framework for developing a healthier contextualization model among Muslims and applies this framework to the Insider Movement by critically evaluating the biblical interpretations and missiological reasonings of the Insider Movement advocates The writer calls for a healthier contextualization model among Muslims that is biblically authentic and culturally relevant **Encountering the World of Islam** Keith E. **Journeys of the Muslim Nation and the Christian Church** David W. Shenk, 2003-10-12 Islam and Christianity seem to be at opposite and unbridgeable poles both committed to world mission Given the political tension and violent acts that sometimes surround these two major world religions it is essential for both sides to understand the other its history beliefs traditions and vision for the future This invaluable resource from David W Shenk an expert in comparative religious studies examines Islam and Christianity at their deepest spiritual cultural and communal levels It explores the similarities and yet unavoidable differences found in Isaac and Ishmael Jesus and Muhammad the Bible and the Qur an Jerusalem and Medina the Eucharist and the Hajj the Church and the Ummah Reflecting years of conversations and dialogue with Muslim friends this is narrative theology full of anecdote and personal experience that bridges the poles and builds understanding Part of the Christians Meeting Muslims series

*Prophets in the Qur'ān and the Bible* Daniel S. Baeq, Sam Kim, 2022-05-24 The theme of prophets and prophecy is a central area of theological research and discussion in both Christianity and Islam While academic researches on the prophets of Islamic tradition do exist it is rare to find studies which compare them with the biblical accounts based on evangelical theology This book provides theological analysis of the biblical prophets which appear in the Qur an and the Islamic literature The selection of prophets includes Adam Nuh Noah Ibrahim Abraham Yusuf Joseph Musa Moses Dawud David Ezekiel Dhul Kifl Zakariya Yahya John the Baptist and Mary the Mother of Jesus The contributors are a distinguished group of international scholars who combine impressive academic credentials with extensive ministry among Muslims Moreover the international nature of the contributors lends credibility to the work as an

exercise in global theology This book lays a good foundation for the comparison of scriptural and theological traditions of two world major religions and for generating further discussions
