**Shadows of Pearl** Arianne Richmonde,2013-01-07 Arianne

Richmonde s second novel in The Pearl Trilogy Shadows of Pearl continues the love story between Pearl and Alexandre in Forty Shades of Pearl an Amazon bestseller in erotic romance This book was an AMAZING read for me It started off where Shades of Pearl left off The book grabbed me right from the start and I did not want to put it down I personally love Arianne Richmonde s writing style I think she did an excellent job with these characters and the story line was VERY original I know without a doubt that book 3 is a MUST READ for me Swept Away By RomanceJust like everyone previously said you HAVE to read the first book before this one This book gets you right away so you may not want to have anything planned before you begin This book is just so good It does have the twist that everyone talks about It is one that ripped me apart I can not wait for the next book So worth you time and money C Hardt Pearl Robinson feels like the luckiest woman in the world In just a couple of months she is to be married to the man she s head over heels in love with the wonderful charismatic Alexandre Chevalier fifteen years her junior and founder of the billion dollar social media sensation HookedUp She is planning a white winter wedding in Lapland the stuff that dreams are made of Everything is perfect not least her haute couture wedding gown designed especially for her But Pearl is convinced that Alexandre s sister and business partner Sophie Dumas has other darker ideas And the shadows of Pearl s past come back to haunt her in ways she could never have imagined

**Belle Pearl**

Arianne Richmonde,2014-08-12 I have to say that as the conclusion for this series it was definitely a roller coaster ride I was shocked I was surprised and I was ultimately floored with the turn of events It was that interesting and unexpected I absolutely LOVED this book and devoured every minute Kawehi Book Blog 5 Stars I ve loved Alexandre since book 1 Reading the series from his POV just made me love him more Nade Ferrabee Can Pearl and Alexandre really have their HEA You must read to find out But I PROMISE you it is a truly amazing ride and finale One you will never see coming Sammie s Book Blog

This book continues from where we left off in Pearl from Alexandre's point of view and continues the story BEYOND Shimmers of Pearl so has a completely different ending than the trilogy. As with Pearl there are many scenes in this novel that do not feature in The Pearl Trilogy. Belle Pearl is the fifth book and the conclusion to Arianne Richmonde's bestselling books in The Pearl Series. Shades of Pearl, Shadows of Pearl, Shimmers of Pearl and Pearl the tumultuous and heart rending love story between forty year old documentary producer Pearl Robinson and French Internet billionaire Alexandre Chevalier fifteen years her junior. At only twenty five Alexandre Chevalier is a billionaire. His social media site HookedUp is more popular than Twitter, more global than Facebook. With his devastating looks, alluring charm and his immense wealth he has women falling at his feet, desperate for his attention, ex girlfriends and an ex fiancée who simply cannot let him go. Although his heart is set on only Pearl, she tests him to his limits and proves that she is even more damaged than he first believed. Alexandre's dark and dysfunctional past makes him crave a normal relationship with Pearl but he soon finds out that she is anything but your average woman. However he believes that they are both two peas in the same dysfunctional pod made to dysfunction together and is determined to make their union work. But Pearl puts Alexandre in a position where he is made to choose. His loyalties are split, his patience torn. After many trials, misunderstandings and revelations of dark secrets their wedding finally ensues and it looks as if their happily ever after is sealed. Until something unforeseen rips their world apart. This is novel 5 the conclusion to The Pearl Series and is by no means stand alone. **Forty Shades of Pearl** Arianne Richmonde, 2013-01-07. Great read if you liked Fifty Shades of Grey and Bared to You. I would recommend this book. Can't wait to read the second part, Shadows of Pearl, Heather Gladfelter. There is one regret I have about reading this series that I waited so long to read it. Nelle L Amour, bestselling author of Undying Love, I recommend this book for those who enjoy a wonderfully written first person narrative romantic erotica with lots of dialogue and plenty of well done descriptive scenes. Swept Away By Romance. This was a great book. Pearl was such a great character that she won me over from the start. The sex scenes were just how I like them: hot, heavy and very sensual when the time was right. I loved the fairytale aspect to this book, the great hero, the female lead who had traits she did not like about herself, the evil family member. I would highly recommend this to all who love a great love story with Sex that would be most of us then. 5.5 Confessions of a Bookaholic. The best erotica series I have read to date. Megan Cain Loera, Documentary producer. Pearl Robinson is a beautiful and smart forty year old divorcee but has not had a date for over two years. When she hears about Alexandre Chevalier, a young French Internet billionaire, she assumes he is a nerd. But when she bumps into him face to face, she is stunned by his charm, beauty and sophistication and startled by her strong feelings and desire for a man fifteen years her junior. His looks, wealth and worldwide triumph with his social media site HookedUp means he can get any woman he chooses but there is something about Pearl he finds irresistible. The couple begins a passionate affair and Pearl's body is awakened in ways she never imagined possible. She is consumed by him and his magical touch. But secrets, jealous family members and other external
