Ramirez, 2013-11-20 Learning to work effectively and efficiently in a group is an important part of learning to be a substantive contributor in today's business environment. Teams A Competency Based Approach provides a solid coverage of the underlying theory of teamwork complemented by examples to help students learn and practice the competencies that will allow them to take advantage of team building opportunities. This book helps readers to systematically identify, analyze, and manage issues that arise as a result of teamwork by emphasizing four important objectives for successful team members: Recognizing opportunities for accomplishing goals within a team context; Appreciating other individuals' attributes in a group setting; Analyzing the types of environments in which teamwork is most advantageous; Identifying and building the necessary competencies to leverage successful group experiences. With exercises and activities designed to allow readers to engage with the material and build specific team oriented competencies, this book offers undergraduate students interested in management, team building, and human resource training the tools needed for successful group experiences. **The Law Times**, 1887 Bulletin Boston Public Library, 1887 Publisher and Bookseller, 1898 Vols for 1871-76 1913-14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series
