The Handbook of Research on Teaching Diverse Youth Literature to Pre-Service Professionals is a comprehensive reference source that curates promising practices that teachers and librarians are currently applying to prepare aspiring teachers and librarians for sharing and teaching diverse youth literature. Given the importance of sharing diverse books with today's young people, university educators must be aware of engaging and effective methods for teaching diverse literature to pre-service teachers and librarians. Covering topics such as syllabus development, diversity, social justice, and activity planning, this text is essential for university-level teacher educators, library educators who prepare pre-service teachers and librarians, university educators, faculty, adjunct instructors, researchers, and students. *101 Outstanding Graphic Novels* Stephen Weiner, 2015-04-01 The popular primer on the best graphic novels, initially called *The 101 Best Graphic Novels*, is back in its third updated edition.
