Query,2014-03 Pee Wee Gaskins killed without hesitation and apparently without remorse over and over again He did so as he meandered in and out of maximum security prisons where he spent more than half of his life Sentenced to reform school at age thirteen he honed his skills in the use of extreme violence The horror of his crimes is played out against the backdrop of one of the most rural areas of South Carolina during the tumultuous change from absolute segregation to forced integration In a lifestyle of absolute lawlessness Gaskins exercised a bizarre charismatic control over the women who surrounded him and ruled his little gang of miscreants with violence and murder Sometimes driving a hearse and bragging of a private graveyard he maintained a macabre and confusing presence to those he encountered Diminutive at five feet three inches and one hundred thirty pounds he feared no man and struck fear in most Undaunted by arrests and imprisonment he conducted a crusade of murder and mayhem over nearly three decades and killed more than fifty people His motives were as varied as his methods

set in rigid boundaries It appears that after every murder an extra layer is added to it It also appears that the humane side of a serial killer dies a little more with every killing Do you want to learn more about serial killers Are you interested in knowing what led them down that path If you do this book does a great job of looking at what drove the different people to serial killers It is important to note that nothing justifies taking life but rather we try to look at what made sense in the eyes of the serial killer to do what they did and with no remorse for their actions Here Is A Sneak Peek Of What You Will Learn Donald Pee Wee Henry Gaskins Paul John Knowles The Casanova Killer Tsutomu Miyazaki The Murderer Of Little Girls Wayne Gacy The Molester And Killer Of Boys Compilation And Linking Of The Mental States And Tics Of These Serial Killers And Much Much More Do Not Wait Any Longer And Get This Book For Only 9 99 *The Meanest Man in America the Life and Crimes of Serial Killer Donald Henry Gaskins* Charlie Lark,2017-05-09 The Meanest Man In America The Life and Crimes of Serial Killer Donald Henry Gaskins A True Story of Rape Cannibalism and MurderThis is a true crime short meant to be read in one sitting It is plausible that Donald Henry Gaskins was born a psychopath it may also be said that his life experiences helped turn him into a sociopath The meanest man in America earned the title of the most prolific serial killer in South Carolina s history Although it was never confirmed Gaskins claimed to have murdered over 100 people with some reports as high as 181 He tortured killed and occasionally ate his victims until his final arrest in 1975 yes he had been arrested numerous times Gaskins was ultimately executed not for his many many murders outside prison but for killing a prisoner on death row while Gaskins himself was serving consecutive life sentences In his autobiography Final Truth The Autobiography of a Serial Killer which currently has less than 25 copies available on Amazon and none for less than 100 Gaskins said I have walked the same path as God by taking lives and making others afraid I became God s equal Whether you believe his side of the story or not the tale of Donald Henry Gaskins is one that should not be forgotten **Serial Killer Autopsy** J F Nealon,2025-11-09 Serial Killer Autopsy Donald Henry Pee Wee Gaskins A Comprehensive Examination of One of South Carolina s Most Notorious Serial Killers The Truth Behind the Lies Donald Henry Gaskins claimed to have killed over 110 people making headlines as one of America s most prolific serial killers The reality is far different and far more disturbing This meticulously researched book cuts through decades of sensationalism exaggeration and myth to reveal the verified truth about a predator who murdered at least thirteen people including young children in acts of extreme cruelty An Autopsy of Evil From the Serial Killer Autopsy series comes an unflinching examination of how a severely abused child from rural South Carolina became a remorseless killer This book traces Gaskins life from his traumatic childhood through his teenage criminal years his evolution into a serial murderer and his unprecedented crime of killing another death row inmate using a bomb smuggled into a maximum security prison The Real Story Donald Henry Gaskins was not a criminal mastermind who killed over one hundred people He was a brutal sadistic predator who murdered approximately thirteen people men women and children before being caught through competent police work and witness cooperation His confirmed crimes are horrifying enough without

exaggeration His victims deserve to be remembered accurately not incorporated into fabricated narratives designed to feed a killer's ego This book tells the real story of a serial killer shaped by horrific abuse of victims whose lives mattered of families forever changed by tragedy of a criminal justice system that both failed and succeeded and of a culture that too often elevates murderers to celebrity status while forgetting those they killed [Serial Killer Pocketbook G Is for Gaskins](#)

[Green River, Running Red](#) Ann Rule,2004-10-31 In the most extraordinary book Ann Rule has ever undertaken America's master of true crime has spent more than two decades researching the story of the Green River Killer who murdered more than forty nine young women The quest to discover the most prolific serial killer in American history has been an intimate part of Ann Rule's life with some of the corpses found only a mile or so from where she lived and raised her own daughters She did not know the killer but he apparently knew her and attended many of her book signings For twenty one years the killer carried out his self described career as a killing machine ridding the world of women he considered evil His eerie

ability to lure his victims to their deaths and hide their bodies made him far more dangerous than any infamous multiple murderer in the annals of crime. A few men including a law student a truck painter and a taxi driver eventually emerged as the prime suspects among an unprecedented forty thousand scrutinized by the Green River Task Force. Still there was no physical evidence linking any of them to the murders until 2001 when investigators used a new DNA process on a saliva sample they had preserved since 1987 with stunning results. Ann Rule has followed the case since July 1982 when the first body that of teenager Wendy Lee Coffield was found in the Green River snagged on pilings under a bridge. Rule has compiled voluminous files working through an incredible 95 000 pages of official police records transcripts photographs and maps winnowing out the chaff and identifying what is truly important. Over the years she gained unparalleled access to all the key players from King County Sheriff Dave Reichert to those close to the killer and his victims. When finally apprehended and convicted the killer made a detailed confession of his twisted sexual obsessions that will shock even the most jaded reader. *Green River Running Red* is a harrowing account of a modern monster a killer who walked among us undetected. It is also the story of his quarry of who these young girls were and who they might have become. A chilling look at the darkest side of human nature this is the most important and most personal book of Ann Rule's long career.

The Redneck Charles Manson Adam Fisher, 2023 A lot of good things were happening in America in 1969. Our astronauts walked on the moon. A president was inaugurated who pledged to bring back law and order. Great music was flowing in the air. A renewed sense of optimism was underway. And then there was Pee Wee. The little boy who grew up to be a stabber a shooter a drowner a poisoner a burglar an insurance fraudster a contributor to the delinquency of a minor a sexual assaulter and a killer had some commonalities with a little boy named Charlie Manson. From September 1969 to his final arrest in November of 1975 Donald Henry Pee Wee Gaskins was by far the worst serial killer the south had ever seen. Pee Wee was convicted in a court of law of 14 murders. But he bragged that he had more than 100 kills to his credit. And who could refute it. Travel back in time with his conscience the narrator of the story and immerse yourself in the culture of the day as we shine a light on the why who and how of a man named Pee Wee Gaskins. Also known as The Redneck Charles Manson.

Ted Bundy Ryan Becker, 2018-03-22 The most fearsome Serial Killer in U S history. A murderer's tale is not always shrouded in darkness trauma and failure to perform as a normal person. Some killers are just as successful in life as those around them or even more so. They are able to function as any regular human being and charm their communities and victims into believing that they are of a good pure nature. Ted Bundy was a handsome charming and ambitious man who carried his hatred deeper and more hidden than any other murderers do. He was able to lead a life that included normal friendships and relationships and he even got far as both a student and a politician. But the hatred was there it was always there. Bundy ended the lives of over thirty young women ensuring that their final moments were ugly and violent. His torture methods were cruel and there was no mercy shown to each female as he bludgeoned strangled or cut them. *Ted Bundy The Campus Killer* a name of nightmares.
