Graphics for the Landscape Designer Tony Bertauski,2019-01-10 Many professional landscape architects and designers embrace the practice of rendering plan drawings by hand as an artistic approach that supports the design process Tony Bertauski uses abundant illustrations to train aspiring designers in the essential drawing techniques used to craft

presentation graphics while learning the essentials of design He guides students through the tools and techniques of drawing that are often overlooked in the classroom so that students can complete assignments on their own outside the lab Student designers will learn to create plans that not only appeal aesthetically but communicate effectively with clients
