## Act Practice 2025 Promo:

*International Economic Law in a Developed Korea* Asif H Qureshi, Nany Hur, Jeong Ah Lee, 2026-01-27 The book examines South Korea's evolving role in the global economic legal framework by analyzing how this developed nation navigates complex trade relationships, shapes international norms, and addresses emerging challenges in a rapidly changing world order. Through detailed case studies of South Korea's economic diplomacy with major partners, it traces the country's strategic transition from adhering to GATT rules to becoming a leader in regional free trade agreements. It also explores South Korea's innovative methods of integrating sustainability and digitalization into its trade policy. The book provides a clear understanding of how a developed Asian economy balances domestic priorities with international obligations. By investigating the causal mechanisms behind its policy choices, the book assesses the strengths and weaknesses of South Korea's strategies as an influential middle power and their global impact. This book will be of interest to scholars and policymakers in international economic law, comparative law, international trade, and investment law, particularly those interested in Asian perspectives on global economic governance.

Edelman and Kudzma's Canadian Health Promotion Throughout the Life Span - E-Book Shannon Dames, Marian Luctkar-Flude, Jane Tyerman, 2020-07-23 Learn the ins and outs of health promotion and disease prevention in Canada with Edelman and Kudzma's Canadian Health Promotion Throughout the Life Span. This all-new comprehensive text grounds you in the Canadian health objectives for promotion and prevention, which aims to improve the health of the entire population and to reduce health inequities among population groups. Among the text's chapters, you'll find extensive coverage of growth and development throughout the life span, including coverage of the normal aspects, the unique problems, and the health promotion needs that are found in each age and stage of development. Separate chapters discuss each population group: the individual, the family, and the community, and highlight the unique aspects of caring for each of these groups. In all, this comprehensive and culturally relevant text provides all the tools needed to stay up on the latest research and topics in Canadian health promotion.
