Congressional Record United States. Congress,2011 **Disrupt You!** Jay Samit,2015-07-07 In Disrupt You Jay Samit a digital media expert who has launched grown and sold start ups and Fortune 500 companies alike describes the unique method he has used to invent new markets and expand established businesses In today s volatile business landscape adaptability and creativity are more crucial than ever It is no longer possible or even desirable to learn one set of job skills and to work your way up the ladder At the same time entrepreneurs with great ideas for new products or technologies that could change the world often struggle to capture the attention of venture capital firms and incubators finding the funding necessary to launch a start up can feel impossible The business leaders of our future must anticipate change to create their own opportunities for personal satisfaction and professional success Samit has been at the helm of businesses in the ecommerce digital video social media mobile communications and software industries helping to navigate them through turbulent economic times and guide them through necessary transformation so that they stay ahead of the curve In Disrupt You he reveals how specific strategies that help companies flourish can be applied at an individual level to help anyone can achieve success and lasting prosperity without needing to raise funds from outside investors Incorporating stories from his own experience and anecdotes from other innovators and disruptive businesses including Richard Branson Steve Jobs Elon Musk YouTube Circ du Soleil Odor Eaters Iams Silly Putty and many more Samit shows how personal transformation can reap entrepreneurial and professional rewards Disrupt You offers clear and empowering advice for anyone looking to break through for anyone with a big idea but with no idea how to apply it and for anyone worried about being made irrelevant in an era of technological transformation This engaging perspective shifting book demystifies the mechanics of disruption for individuals and businesses alike

Buy Now Emily West,2022-02-22 How Amazon combined branding and relationship marketing with massive distribution infrastructure to become the ultimate service brand in the digital economy Amazon is ubiquitous in our daily lives we stream movies and television on Amazon Prime Video converse with Alexa receive messages on our smartphone about the progress of our latest orders In Buy Now Emily West examines Amazon s consumer facing services to investigate how Amazon as a brand grew so quickly and inserted itself into so many aspects of our lives even as it faded into the background becoming a sort of infrastructure that can be taken for granted Amazon promotes the comfort and care of its customers but not its workers to become the ultimate service brand in the digital economy West shows how Amazon has cultivated personalized intimate relationships with consumers that normalize its outsized influence on our selves and our communities She describes the brand s focus on speedy and seamless ecommerce delivery represented in the materiality of the branded brown box the positioning of its book retailing media streaming and smart speakers as services rather than sales and the brand s image control strategies West considers why pushback against Amazon s ubiquity and market power has come mainly from among Amazon s workers rather than its customers or competitors arguing that Amazon

s brand logic fragments consumers as a political bloc West s innovative account the first to examine Amazon from a critical media studies perspective offers a cautionary cultural study of bigness in today s economy *Competing in the New World of Work* Keith Ferrazzi,Kian Gohar,Noel Weyrich,2022-02-15 A Wall Street Journal bestseller The 1 New York Times bestselling author on how to use radical adaptability to win in a world of unprecedeted change You ve shed antiquated systems and processes You went all in on digital Your teams settled into new often better ways of doing things But did your organization change enough to stay competitive in the post pandemic world Did you fully leverage the once in a lifetime opportunity to leap forward and grow stronger Are you shaping the new environment to your advantage If not it s not too late to learn from the best New York Times 1 bestselling author Keith Ferrazzi along with coauthors Kian Gohar and Noel Weyrich shows leaders how to shape their organizations and practices to remain competitive in a new post pandemic context Based on an ambitious global research initiative involving thousands of executives innovators and changemakers who redefined their strategies business models organizational systems and even their cultures Competing in the New World of Work Offers a bold new vision for the organization of the future Reveals the workplace innovations that emerged during the pandemic Defines the new model of leadership radical adaptability for sustaining continuous change throughout the coming years of opportunity and transformation Competing in the New World of Work is both your inspiration and your road map to embracing new realities motivating talent and winning bold frontiers *Streetlife* Conrad Kickert,Emily Talen,2022-12-21 Our street level economy is undergoing dramatic change Retailers are reeling from the rise of e commerce rising rents and increasing storefront vacancies along with a cultural shift from material to experiential consumerism Today the COVID 19 pandemic is contributing to economic upheaval as commercial corridors and the small businesses they house face sweeping closures bankruptcy and job losses Streetlife brings together scholars who have been trying to make sense of the changing retail landscape at street level and what it means for urbanism s future Streetlife pays special attention to the varied responses and policies that have emerged to address the competing realities of small business loss and neighbourhood needs With case studies from the United States as well as contributions covering Canada and Europe this book demystifies the logic behind street level urban retail and calls for better plans designs policies and innovations to bolster sales Streetlife shows that now more than ever before we need to understand what makes our storefronts tick what awaits them and what we can do as planners designers developers entrepreneurs and policymakers to maintain retail as integral to urban lifestyle
