Anderson,2024-01-25 Picked by Bill Gates for his summer reading list Recent years have been tough on optimists Hopes that  
the Internet might bring people together have been crushed by the ills of social media Is there a way back Chris Anderson  
the head of TED believes that we can turn outrage back into optimism It all comes down to reimagining one of the most  
fundamental human virtues generosity What if generosity could become infectious generosity Consider how a London barber  
began offering haircuts to people experiencing homelessness and catalysed a movement how two anonymous donors gave 10  
000 each to 200 strangers and discovered that most recipients wanted to pay it forward with their own generous acts how  
TED itself transformed from a niche annual summit into a global beacon of ideas by giving away talks online allowing millions  
access to free learning In telling these inspiring stories Anderson offers a playbook for how to embark on our own generous  
acts whether gifts of money time talent connection or kindness and to prime them thanks to the Internet to have self
