Paradoxes Catholicism Robert Hugh Benson:

Paradoxes of Catholicism Robert-Hugh Benson, 2024-04-02 Paradoxes of Catholicism by Robert Hugh Benson delves into the complex dualities inherent in the Catholic faith drawing parallels between the divine and human aspects of both Jesus Christ and the Catholic Church Benson begins by addressing the paradoxes found in the life of Jesus Christ who embodies both divine and human natures This duality is essential for understanding the seemingly contradictory elements of the Gospel such as Christ's simultaneous divinity and humanity which are reflected in His teachings and actions Benson argues that only by accepting this dual nature can one fully comprehend the mysteries of the Gospel The author then extends this duality to the Catholic Church which he describes as an extension of the Incarnation The Church like Christ is both divine and human and this duality explains the paradoxes observed in its history and practices Benson discusses how the Church while striving for divine ideals operates within the human world leading to accusations of both excessive worldliness and otherworldliness He addresses criticisms from both pagans who see the Church as too holy and impractical and puritans who view it as not holy enough due to the presence of sin within its ranks Benson concludes that the Church's mission is to reconcile these paradoxes by maintaining its divine standards while engaging with the human world The Church's role is to elevate humanity by offering a path to sanctity even as it acknowledges human frailty Through this exploration Benson highlights the Church's intermediary position as a bridge between the divine and the human tasked with guiding believers toward spiritual perfection while navigating the complexities of earthly existence Paradoxes of Catholicism.by Robert Hugh Benson, 2016-05-23

Paradoxes of Catholicism Robert Hugh Benson, 2017-02-06 First published in 1913 this book is Benson s defense of Catholicism against those who attack the Church from the angle of both extremes i e to Meek and to Violent His answer for the many paradoxes found within Catholicism is the complete Divinity and Humanity of Jesus Christ From this basis he explains how the Church can be both Wealthy and Poor Joyful and Sorrowful Meek and Violent etc Benson writes We have considered so far a number of paradoxical phenomena exhibited in the life of Catholicism and have attempted to find their reconciliation in the fact that the Catholic Church is at once Human and Divine In her striving for example after a Divine and supernatural Peace of which she alone possesses the secret she resists even unto blood all human attempts to supplant this by another As a human society again she avails herself freely of human opportunities and aids of earthly and created beauty for the setting forth of her message yet she can survive as can no human society when she is deprived of her human rights and her acquired wealth

Paradoxes of Catholicism Robert Hugh Benson, 2021-02-21 We have seen how the Church of the Prince of Peace must continually be the centre of war Let us go on to consider how as a Human Society dwelling in this world she must continually have her eyes fixed upon the next and how as a Divine Society she must be open to the charge of worldliness I i The charge is a very common one Look at the extraordinary wealth and splendour that this Church of the Poor Man of Nazareth constantly gathers around her and ask yourself how she can dare to claim to represent Him Go through Holy Rome and see how the richest and most elaborate buildings bear over their gateways the heraldic emblems of Christ's Vicar Go through any country which has not risen in disgust and cast off the sham that calls herself Christ's Church and you will find that no worldly official is so splendid as these heavenly delegates of Jesus Christ no palaces more glorious than those in which they dwell who pretend to preach Him who had not where to lay His head Above all turn from that simple poverty stricken figure that the Gospels present to us to the man who claims to be His Vicegerent on earth See him go crowned three times over on a throne borne on men's shoulders with the silver trumpets shrilling before him and the ostrich fans coming on behind and you will understand why the world cannot take the Church seriously Look at the court that is about him all purple and scarlet and set

by that the little band of weather beaten fishermen No if this Church were truly of Christ she would imitate Him better It was His supreme mission to point to things that are above to lift men's thoughts above dress and gold and jewels and worldly influence and high places and power to point to a Heavenly Jerusalem not made with hands to comfort the sorrowful with a vision of future peace not to dabble with temporal matters to speak of grace and heaven and things to come and to let the dead bury their dead The best we can do for her then is to disembarass her of her riches to turn her temporal possessions to frankly temporal ends to release her from the slavery of her own ambition into the liberty of the poor and the children of God
