Partner Joseph Conrad:

The Partner Joseph Conrad, 2019-07-14 Written at various times under various influences the four stories contained in Within the Tides are linked by Conrad's treatment of loyalty and betrayal. They range in setting from the Far East via eighteenth century Spain to England. The tone shifts from the tragic inevitability of The Planter of Malata and the pathos of Because of the Dollars to the gothic The Inn of the Two Witches and the grim humour of The Partner. The form of the stories was experimental but does not obscure Conrad's humanity or his search for moral truth. [The Partner](#) Joseph

Conrad, 2021-04-17 And that be hanged for a silly yarn. The boatmen here in Westport have been telling this lie to the summer visitors for years. The sort that gets taken out for a row at a shilling a head and asks foolish questions must be told something to pass the time away. D ye know anything more silly than being pulled in a boat along a beach. It's like drinking weak lemonade when you aren't thirsty. I don't know why they do it. They don't even get sick. A forgotten glass of beer stood at his elbow the locality was a small respectable smoking room of a small respectable hotel and a taste for forming chance acquaintances accounts for my sitting up late with him. His great flat furrowed cheeks were shaven a thick square wisp of white hairs hung from his chin its wagging gave additional point to his deep utterance and his general contempt for mankind with its activities and moralities was expressed in the rakish set of his big soft hat of black felt with a large rim which he kept always on his head. His appearance was that of an old adventurer retired after many unholy experiences in the darkest parts of the earth but I had every reason to believe that he had never been outside England. From a casual remark somebody dropped I gathered that in his early days he must have been somehow connected with shipping with ships in docks. Of individuality he had plenty. And it was this which attracted my attention at first. But he was not easy to classify and before the end of the week I gave him up with the vague definition an imposing old ruffian. The Partner Joseph Conrad, 2020-12-08 Joseph Conrad's The Partner is a gripping tale of moral ambiguity and the complexities of human nature. Set in the backdrop of colonial Africa the novel follows the journey of a young European man who finds himself entangled in a dangerous game of deceit and betrayal. Conrad's vivid descriptions and intricate plotting showcase his mastery of psychological depth and narrative tension making The Partner a compelling read for those interested in exploring themes of identity and power dynamics. As a pioneer of modernist literature Conrad's nuanced exploration of the human psyche elevates this novel to a thought provoking and impactful piece of literature. Joseph Conrad a Polish British writer known for his seafaring tales and exploration of moral dilemmas drew upon his own experiences as a sailor to infuse The Partner with a sense of authenticity and depth. His distinctive writing style and ability to dissect the complexities of human behavior set him apart as a literary master. The Partner Large Print by Joseph Conrad Joseph Conrad was a Polish British writer regarded as one of the greatest novelists to write in the English language Though he did not speak English fluently until his twenties he was a master prose stylist who brought a non English sensibility into English literature Conrad wrote stories and novels many with a nautical setting that depict trials of the human spirit in the midst of what he saw as an impassive inscrutable universe We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
