Partnered Pony Possible Practical Powerful:

The Partnered Pony Jenifer Morrissey, 2015-12-10 When it comes to equines horses ponies donkeys mules different people think of the word partner in different ways For some it is the beginning step in a path of horsemanship In this book it is not a step Rather it is a way of being with equines that anyone can adopt at any level of training So what is a Partnered Pony It s a pony whose human wants a shared life with their small equine It s endless what partnering with a pony can look like work play shows chores training feeding tack harness commuting celebration recreation competition riding driving packing draft work Every pony person partnership will have their own list unique to them The stories within illustrate many of these dimensions Of course partnering with ponies isn t new or modern Most pony breeds were created or evolved specifically to provide all around assistance to their human keepers This book s aim through the many stories within is to encourage partnering with ponies because there is so much that is possible because they are practical and it can be profound The author hopes that others will discover what she has that one lifetime isn t enough This book contains hundreds of color photographs and over one hundred stories many written just for this book exploring the many dimensions of partnering with ponies
