Passion Is Loves Poetry:

Poems of Passion Ella Wheeler Wilcox, 1887 **A Field of Passion** Peter Burt, 2004-01-01 Love, Lust, and Loss Claudacious Shakespeare, 2016-02-12 My poetry and short stories will take you on a journey and give you a brief look into my life Everything I write is from the heart and is inspired by personal experiences Love speaks of the love that has filled my heart Lust speaks of the many temptations seductions and emotions that stimulate the body And loss speaks of the hurt that can be brought on by love or feelings of lack thereof The short stories of passion allowed me to delve into my creative side The many days I sat daydreaming and wondering what if are now out of my head and on paper Often we fantasize but we keep our fantasies to ourselves This allows me to explore those passions outside of a mere daydream Love Lust and Loss reflects life experiences and everything in between My book takes a look into every aspect of every emotion that love and loss of love elicits I hope that what I write inspires you to feel something youve never felt reminds you of a love from your past present or future and allows you to see that you are not alone in your emotions **Passion Is Love's Poetry** Kaiserrific, 2012-10-01 Passion Is Love s Poetry is taken from the notebooks of Kaiserrific s personal collection of poems In this book he explains the story of how love crossed the paths between passion and poetry With passion representing the female and poetry representing the male as they both explore the deep meaning of love with one another Each one of these poems you will share a liking to and possibly you will relate and in doin so explore the true meaning of their love **Passion and Love of Love** Dario L. Jaramillo, 2009-07-16 Poetry with images of the life of Jesus called Issa The poet traces the life of Jesua in the Lost Years and His travels in India and Tibet The poems follow the Lord in his return to the Holy Land Poems of Passion Ella Wheeler Wilcox, 2012 Ella Wheeler Wilcox November 5 1850 October 30 1919 was an American author and poet Her best known work was *Poems of Passion* It includes poems such as Love s Language Impatience Individuality Friendship after Love Reunited What Shall We Do Through the Valley the Duet and much more **The Language of the Heart** Edd George Ergo Espinosa, 2009-04 THE LANGUAGE OF THE HEART Love Poems and Passions The feeling of love respects no boundary of expression in a heart to heart intimacy between two souls Love is love no matter how long or short its sojourn in the life of a person no matter how deep or shallow its degree or no matter how wide or narrow the space it occupies in one s heart Truly love is love no matter how it is expressed in different passions sharing caring giving receiving laughing hurting leaving pleading crying forgiving or even losing and getting it back again and again Love never changes its effects and color the happiness and contentment in the heart and soul of its beholder THE LANGUAGE OF THE HEART Love Poems and Passions is a genuine expression of the feelings that have occurred or are presently occurring in the author s heart Who can argue those feelings Surely nobody can except the creator himself of those beautiful and soul guided verses which originated directly from the center of his heart Many of the poems included in the book have been published in various magazines and school papers as well as cited a number of times The Editor s Choice Award of the International Library of

Arabic and Hebrew Love Poems in Al-Andalus Shari Lowin, 2013-11-20 Arabic and Hebrew Love Poems in al Andalus investigates a largely overlooked subset of Muslim and Jewish love poetry in medieval Spain hetero and homo erotic love poems written by Muslim and Jewish religious scholars in which the lover and his sensual experience of the beloved are compared to scriptural characters and storylines This book examines the ways in which the scriptural referents fit in with or differ from the traditional Andalusian poetic conventions The study then proceeds to compare the scriptural stories and characters as presented in the poems with their scriptural and exegetical sources This new intertextual analysis reveals that the Jewish and Muslim scholar poets utilized their sacred literature in their poems of desire as more than poetic ornamentation in employing Qur'anic heroes in their secular verses the Muslim poets presented a justification of profane love and sanctification of erotic human passions In the Hebrew lust poems which utilize biblical heroes we can detect subtle subversive and surprisingly placed interpretations of biblical accounts Moving beyond the concern with literary history to challenge the traditional boundaries between secular and religious poetry this book provides a new multidisciplinary approach to existing materials and will be of interest to students scholars and researchers of Islamic and Jewish Studies as well as to those with an interest in Hebrew and Arabic poetry of Islamic Spain
