Pastor Appreciation 2014:

Planning Sabbaticals Robert C. Saler, 2019-11-01 Sabbaticals are becoming increasingly common practice in congregations and while there are many books on helping pastors prepare for their time away there are no texts that approach the experience with the congregation in mind from start to finish. This guide for congregations and their pastors draws on nearly two decades of wisdom from the Lily Endowment Clergy Renewal Program and helps draw the conversation away from a pastor centric model and towards a holistic congregational framework for thinking about how the entire community can benefit from a pastor's sabbatical

I CRY IN THE SHOWER GLORIA MARTIN, 2015-08-31 I'm just a bobber on the water I go with the flow. These words are etched on the stone that marks the grave of Silas Martin a boy who died too young at age sixteen. They aren't only words that describe Silas' life but they are words he spoke. Often Silas had ample reason to complain but he never did. At first glance you would never know he was plagued by brain tumors, visual impairment, seizure disorders and other disabilities from the time he was six months old. Despite everything Silas chose to live with courage. He loved life. He lived with hope even though doctors didn't give him much of it. Silas' primary caregiver was his mother Gloria Martin. From the depths of her soul I Cry in the Shower tells the story of Silas' short life and the irreplaceable bond they shared as mother and son. A professed born again Christian Gloria Martin recounts the struggles of being human in this world, struggles of caring for a terminally ill child all while dealing with recovery from other hurts, habits and hang ups every person faces in their lifetime. Gloria shares her story of Silas' life exactly as she shared Silas with open arms with eternal gratitude for every second she was allowed to care for him on this earth. I Cry in the Shower is full of raw journal entries from Gloria written as she experienced the tremendous journey of hope and loss through the end of Silas' life. Now she hopes she can be an inspiration and help to others who may be caregivers to those with a devastating illness.
