Patanjali's Yoga Sutra Patañjali,1975 *The Yoga Sutras Of Patanjali* Alistair Shearer,2010-07-28 The basic questions of Who Am I Where Am I Going What Is the Purpose of Life are asked by every generation and Patanjali s answers given in the third century BC form one of the oldest spiritual texts in the world That which unites is called Yoga and is thus much broader than the form of exercise so popular today It is a way to restore our lost wholeness our integrity as complete human beings by unifying the personality around a centre that is silent and unbounded Alistair Shearer s superb introduction and translation bring these ancient vital teachings to life in the modern world and are for all those who seek the benefits of self knowledge **The Authentic Yoga** Purushottama Yaśavanta Deśapāṇḍe,1978 [Demystifying Patanjali: The Yoga Sutras](#) Paramhansa Yogananda,2013-06-03 What happens as we grow spiritually Is there a step by step process that everyone goes through all spiritual seekers including those of any or no religious persuasion as they gradually work their way upward until they achieve the highest state of Self realization About 2200 years ago a great spiritual master of India named Patanjali described this process and presented humanity with a clear cut step by step outline of how all truth seekers and saints achieve divine union He called this universal inner experience and process yoga or union His collection of profound aphorisms a true world scripture has been dubbed Patanjali s Yoga Sutras Unfortunately since that time many scholarly translators with little or no spiritual realization have written commentaries on Patanjali s writings that have succeeded only in burying his pithy insights in convoluted phrases like becomes assimilated with transformations and the object alone shines without deliberation How can any reader understand Patanjali s original meaning when he or she has to wade through such bewildering terminology Thankfully a great modern yoga master Paramhansa Yogananda author of the classic Autobiography of a Yogi has cut through the scholarly debris and resurrected Patanjali s original teachings and revelations Now in
