

Luther proclaimed, Paul had written in Romans that it was God who would save us: "For in the Gospel, a righteousness from God is revealed, a righteousness that is by faith from first to last, just as it is written the righteous shall live by faith." Surely, Luther argued, men did not need the Pope and priests and all the trappings and finery of the Church for salvation. All they required was a personal relationship with God.

Paul Proclaimed Salvation:

The Beginning of Paul's Gospel Nijay K. Gupta, John K. Goodrich, 2023-07-07 The Epistle to the Romans remains the centerpiece of all serious Pauline theological research. Each of the major sections of Romans has received significant attention in recent scholarship yet no consensus has emerged about how to read the opening chapters of Paul's most important letter, Romans 1-4. This collection of essays returns to the beginning of Paul's theological masterpiece to probe longstanding puzzles and to offer new readings and fresh insights on some of the most cherished chapters in the entire Pauline corpus.

The Preaching of Daniel Thambirajah (D.T.) Niles Dandapati Samuel Satyaranjan, 2009 Daniel Thambirajah Niles 1908-1970 Sri Lankan theologian

Perseverance and Apostasy in the New Testament Dong-su Kim, 2022-05-27 Perseverance and Apostasy in the New Testament thoroughly examines all the New Testament texts relevant to the controversial questions of whether a genuine believer can apostatize and/or whether an apostate can be restored. The primary contribution of the book lies in the in-depth exegesis of the relevant New Testament Greek texts against the socio-historical circumstances of each faith community in the New Testament. The book inductively shows that the New Testament writers maintain a uniform perception on perseverance and apostasy based on Jesus' words that bear upon the subject described in the Gospels. It also illuminates questions of the relationship between God's sovereignty and human responsibility, the role of the Holy Spirit for the believer's perseverance and the role of Satan for the apostates falling away. The book is a needed addition to earlier works on perseverance and apostasy.

ENDORSEMENTS The debate over the issues of perseverance and apostasy will likely remain in the church until the coming of Christ. Many despair of ever coming to a definitive conclusion, often contending that the biblical evidence is inconsistent and beyond resolution. Don Kim's near-exhaustive analysis of the relevant NT texts proves otherwise. He is thoroughly conversant with virtually all contributors to this subject, and his meticulous contribution will surely prove to be the standard for future dialogue. Anyone who proposes to engage with this controversial matter cannot afford to overlook this remarkably helpful and insightful book.

Dr. Sam Storms, Lead Pastor of Bridgeway Church, Oklahoma City, Enjoying God Ministries. Don Kim has written an amazingly thorough and careful study on perseverance and apostasy in the New Testament. Scholars disagree on how to interpret these difficult passages, but Kim defends well his own understanding, and his important study will have to be reckoned with in future work on this controversial topic.

Dr. Thomas R. Schreiner, James Buchanan Harrison Professor of New Testament Interpretation and Professor of Biblical Theology, The Southern Baptist Theological Seminary. Perseverance and Apostasy in the New Testament is a well-executed and thorough examination of New Testament texts that bear upon or otherwise illuminate the difficult question of whether a true believer can apostatize. The author neither avoids difficult questions nor skirts challenging texts. Rather, he carefully works his way through each relevant New Testament text's central exegetical questions, offering judicious insights and integrating those insights into a collective explanation. I found some of my own assumptions challenged while

reading this book I am happy to recommend it as a helpful addition to and sometimes needed correction of earlier works on perseverance Dr Kenneth Berding Professor of New Testament Talbot School of Theology at Biola University Perseverance and Apostasy in the New Testament concentrates on the crucial questions of whether genuine believers in Jesus could apostatize and whether the NT presents a consistent picture on that very issue by providing a careful exegetical treatment of numerous passages across the New Testament beginning with the Synoptics and John's Gospel walking through Acts and the letters and completing with the book of Revelation One's theological presuppositions will of course affect how he/she receives and responds to Kim's case It will also be unrealistic to expect even those agreeing passionately with Kim to concur on every detail in a tome of this magnitude Yet undoubtedly Perseverance and Apostasy in the New Testament proves to be an essential reading for pastors and theological students who should wrestle with the issue of perseverance and apostasy and the relevant biblical texts to form their own conclusions This well written book will serve its readers effectively by sharpening or challenging their views if not both Dr John Lee Associate Professor of New Testament Midwestern Baptist Theological Seminary This substantial study by Dongsu Kim is a decisive demonstration of the historic doctrine of the perseverance of the saints taught and defended by the Reformed tradition Perseverance and Apostasy in the New Testament provides a thoroughly biblical and hermeneutically and canonically sensitive study Kim's exposition is scholarly rigorous and articulate He argues persuasively that the various biblical writers' engagements with apostasy are consonant with the Scriptures' declarations of divine sovereign grace in salvation Perseverance and apostasy in the New Testament is an extensive arsenal of biblical and theological insights that will be of value for exegetes and theologians alike Dr Peter A Lillback president Westminster Theological Seminary Philadelphia The Reformed doctrine of perseverance of the saints has recently been tremendously challenged and egregiously distorted For example the New Perspective on Paul has seriously rejected the traditional wisdom advocating revisions not only of the doctrine of perseverance but also justification In response to these criticisms challenges and distortions this book provides a most comprehensive and compelling antidote with profoundly detailed and meticulous exegetical engagements with the New Testament texts Dr Kim did an excellent job in presenting a powerful and persuasive case for God's gracious and faithful preservation of true believers in Christ This is a masterpiece and must read for anyone interested in Scripture's teachings about the ideas of perseverance and apostasy Dr Sung Wook Chung Professor of Christian Theology Denver Seminary Kim asks whether New Testament authors maintain a consistent theology of perseverance and apostasy or not Is it conceivable that divinely inspired authors contradict each other with different theologies of perseverance and apostasy Or must we admit they contradict each other and deny plenary verbal inspiration of Scripture Kim is fully aware that no scholar asks these questions without theological presuppositions which predetermine his answers He himself enters this hermeneutical circle with his own working definitions of perseverance and apostasy He challenges himself and his readers allow the New Testament itself to revise and refine our theological

presuppositions and working definitions Kim is also aware of the error of selective evidence To avoid it he chooses passages from the entire New Testament that he deems critical to understanding the subject of perseverance and apostasy Kim's book is new essential reading for everybody who wants to formulate a comprehensive New Testament theology of perseverance and apostasy Dr Andrew D Parlee Professor of Systematic Theology Greater Europe Mission Thirdmill Seminary **The Final Triumph of God** James P. Ware, 2025-02-06 A groundbreaking exposition of the resurrection hope in 1 Corinthians 15 Making a compelling case based on new evidence and fresh exposition James Ware affirms the church's historic reading of 1 Corinthians 15 He shows that the apostolic formula in 1 Corinthians 15:1-11 proclaims in continuity with the Gospels the resurrection of Jesus's crucified body from the tomb and that the hope of the resurrection described in 1 Corinthians 15:12-58 involves the miraculous revivification of our present bodies of flesh and bones and their transformation to imperishability Ware's monumental study is unmatched for its comprehensive examination of the historical setting literary structure syntax and vocabulary of 1 Corinthians 15 This in depth verse by verse commentary provides new insights into the text original solutions to hitherto seemingly irresolvable difficulties and a convincing reading of the chapter unfolding its rich theology of the resurrection as the consummation of union with Christ The Treasury; a Magazine of Religious and Current Thought for Pastor and People, 1890 **The Lutheran Church Review** Henry Eyster Jacobs, Theodore Emanuel Schmauk, 1882

The Origin and Formation of the Gospel Yoseop Ra, 2015-02-19 This book shows readers the nature of Christian faith by exploring how the gospel was originated formed and developed As author Yoseop Ra demonstrates the Christian faith began to develop during the conflict between Paul and the Jerusalem apostles while the redemptive death of Jesus Christ on the cross the core of the gospel was made through theological interpretation and spiritual confession The Origin and Formation of the Gospel offers new interpretations based on a profound analysis of sources First author Yoseop Ra shows Q to have been redacted four times Second he identifies the original form of the first Christian gospel and separates Paul's seven genuine epistles into sixteen letters Finally Ra offers an analysis of four Gospels and other writings to argue that the redemptive role of the cross was introduced as a breakthrough on the part of Paul to overcome the Jerusalem apostles identifying the kingdom of God as the garden of Eden *Notes on the International S.S.
