This much desired hour had at last sounded from the clock of the cathedral. While the earliest stars were rising above the horizon the numerous promenaders were traversing the streets of Lima wrapped in their light mantles and conversing gravely on the most trivial affairs. There was a great movement of the populace on the Plaza Mayor that forum of the ancient city of kings. Artisans were profiting by the coolness to quit their daily labors they circulated actively among the crowd crying their various merchandise. The ladies of Lima carefully enveloped in the mantillas which mask their countenances with the exception of the right eye darted stealthy glances on the surrounding masses. They undulated through the groups of smokers like foam at the will of the waves other señoritas in ball costume coiffed only with their abundant hair or some natural flowers passed in large caleches throwing on the caballeros nonchalant regards.
