Pearl Of Wisdom Buddhist Prayers And Practices Book 2:

Pearl of Wisdom Book 2 ,1988-01-01 Pearl of Wisdom Book 2 is for people who have already begun the practice of Buddhism in the Tibetan tradition These prayers and practices are done repeatedly in order to gain familiarity and experience with them We practice Dharma precisely because we are not yet able to do it perfectly By repeatedly training in the practices included in this book under the guidance of a qualified teacher we gradually learn to do the practices well thereby transforming our mind and improved the quality of our daily life **Pearl of Wisdom** ,1991 In Praise of Great Compassion Dalai Lama,Thubten Chodron,2020-08-11 Discover the Dalai Lama s definitive teaching on compassion in this fifth volume of the Dalai Lama s definitive Library of Wisdom and Compassion series In Praise of Great Compassion the fifth volume of the Library of Wisdom and Compassion continues the Dalai Lama s teachings on the path to awakening While previous volumes focused on our present situation and taking responsibility for creating the causes of happiness this volume concerns opening our hearts and generating the intention to make our lives meaningful by benefiting others We are embedded in a universe with other living beings all of whom have been kind to us in one way or another More than any other time in human history we depend on one another to stay alive and flourish When we look closely it becomes apparent that we have been the recipient of great kindness Wanting to repay others kindness we cultivate a positive attitude by contemplating the four immeasurables of love compassion empathic joy and equanimity and the altruistic intention of bodhicitta We learn to challenge the self centered attitude that leads to misery and replace it with a more realistic perspective enabling us to remain emotionally balanced in good and bad times In this way all circumstances become favorable to the path to awakening
