

# CHOKING/CPR

## LEARN AND PRACTICE CPR

IF ALONE WITH A CHILD WHO IS CHOKING...

1. SHOUT FOR HELP. 2. START RESCUE EFFORTS FOR 1 MINUTE. 3. CALL 911 OR AN EMERGENCY NUMBER.

### YOU SHOULD START FIRST AID FOR CHOKING IF...

- The child cannot breathe at all (the chest is not moving up and down).
- The child cannot cough, talk, or make a normal voice sound.
- The child is found unconscious. (Go to CPR.)

### DO NOT START FIRST AID FOR CHOKING IF...

- The child can breathe, cry, talk, or make a normal voice sound.
- The child can cough, sputter, or move air at all. The child's normal reflexes are working to clear the airway.

## FOR INFANTS LESS THAN 1 YEAR OF AGE

### INFANT CHOKING

Begin the following if the infant is choking and is unable to breathe. However, if the infant is coughing, crying, speaking, or able to breathe at all, DO NOT do any of the following. Depending on the infant's condition, call 911 or the pediatrician for further advice.

#### 1 FIVE BACK BLOWS

ALTERNATING

#### 2 FIVE CHEST THRUSTS

Alternate back blows and chest thrusts until the object is dislodged or the infant becomes unconscious. If the infant becomes unconscious, begin CPR. (Health care professionals only; assess pulse before starting CPR.)

### INFANT CPR (Cardiopulmonary Resuscitation)

To be used when the infant is unconscious or when breathing stops.

#### 1 OPEN AIRWAY

- Look for movement of the chest and abdomen.
- Listen for sounds of breathing.
- Feel for breath on your cheek.
- Open airway as shown.
- Look for a foreign object in the mouth. If you can see an object in the infant's mouth, sweep it out carefully with your finger. Do not try a finger sweep if the object is in the infant's throat, because it could be pushed further into the throat.

#### 2 RESCUE BREATHING

- Position head and chin with both hands as shown.
- Seal your mouth over the infant's mouth and nose.
- Blow gently, enough air to make chest rise and fall 2 times.

If no rise or fall, repeat 1 & 2. If no response, treat for blocked airway. (See "INFANT CHOKING" steps 1 & 2 at left.)

#### 3 ASSESS RESPONSE

- Place your ear next to the infant's mouth and look, listen, and feel for normal breathing or coughing.
- Look for body movement.
- If you cannot see, hear, or feel signs of normal breathing, coughing, or movement, start chest compressions.

#### 4 CHEST COMPRESSIONS

- Place 2 fingers of one hand over the lower half of the chest. Avoid the bottom tip of the breastbone.
- Compress chest 1/2" to 1" deep.
- Alternate 3 compressions with 1 breath.
- Compress chest 100 times per minute.

Check for signs of normal breathing, coughing, or movement every minute.

## FOR CHILDREN 1 TO 8 YEARS OF AGE\*

### CHILD CHOKING

Begin the following if the child is choking and is unable to breathe. However, if the child is coughing, crying, speaking, or able to breathe at all, DO NOT do any of the following, but call the pediatrician for further advice.

#### CONSCIOUS

**FIVE QUICK INWARD AND UPWARD THRUSTS** just above the navel and well below the bottom tip of the breastbone and rib cage (modified Heimlich maneuver).

If the child becomes unconscious, begin CPR.

### CHILD CPR (Cardiopulmonary Resuscitation)

To be used when the child is UNCONSCIOUS or when breathing stops.

#### 1 OPEN AIRWAY

- Look for movement of the chest and abdomen.
- Listen for sounds of breathing.
- Feel for breath on your cheek.
- Open airway as shown.
- Look for a foreign object in the mouth. If you can see an object in the child's mouth, sweep it out carefully with your finger. Do not try a finger sweep if the object is in the child's throat because it could be pushed further into the throat.

#### 2 RESCUE BREATHING

- Position head and chin with both hands as shown.
- Seal your mouth over child's mouth.
- Pinch child's nose.
- Blow enough air to make child's chest rise and fall 2 times.

If no rise or fall, repeat 1 & 2. If still no rise or fall, continue with step 3 (below).

#### 3 ASSESS RESPONSE

- Place your ear next to the child's mouth and look, listen, and feel for normal breathing or coughing.
- Look for body movement.
- If you cannot see, hear, or feel signs of normal breathing, coughing, or movement, start chest compressions.

#### 4 CHEST COMPRESSIONS

- Compress chest 1" to 1 1/2".
- Alternate 5 compressions with 1 breath.
- Compress chest 100 times per minute.
- Press with the heel of 1 hand on the lower half of the chest. Lift fingers to avoid ribs. Do not press near the bottom tip of the breastbone.

#### 2A HEALTH CARE PROFESSIONALS ONLY

- Use abdominal thrusts to try to remove an airway obstruction.
- Continue steps 1, 2, and 2A until the object is retrieved or rescue breathing is effective.
- Assess pulse before starting CPR.

Be sure someone calls 911 as soon as possible, and by 1 minute after starting rescue efforts.

This information contained on this publication should not be used as a substitute for the medical advice of your pediatrician. Please call the doctor who has advised you your pediatrician may recommend based on the individual facts and circumstances.

\*For children 8 and older, adult recommendations for choking/CPR apply.

If at any time an object is coughed up or the infant/child starts to breathe, call 911 or the pediatrician for further advice.

Ask the pediatrician for information on Choking/CPR instructions for children older than 8 years of age and on an approved first aid course or CPR course in your community.

## **Pediatrics First Aid Guide Introduction**

Pediatrics First Aid Guide Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Pediatrics First Aid Guide Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Pediatrics First Aid Guide : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Pediatrics First Aid Guide : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Pediatrics First Aid Guide Offers a diverse range of free eBooks across various genres. Pediatrics First Aid Guide Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Pediatrics First Aid Guide Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Pediatrics First Aid Guide, especially related to Pediatrics First Aid Guide, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Pediatrics First Aid Guide, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Pediatrics First Aid Guide books or magazines might include. Look for these in online stores or libraries. Remember that while Pediatrics First Aid Guide, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Pediatrics First Aid Guide eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Pediatrics First Aid Guide full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Pediatrics First Aid Guide eBooks, including some popular titles.

## FAQs About Pediatrics First Aid Guide Books

1. Where can I buy Pediatrics First Aid Guide books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Pediatrics First Aid Guide book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Pediatrics First Aid Guide books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Pediatrics First Aid Guide audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Pediatrics First Aid Guide books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
