See the enclosed trust by-laws addendum, section 34.4.8, which reads as follows:

34.4.8 ELIGIBILITY FOR REGISTRATION

One Boarder shall be eligible for registration with the Association, upon application in accordance with the terms of these By-Laws.

(a) One Boarder-Child born in Canada or a child registered with the Association and who also registered for Canadian citizenship at birth (i.e. Parental government passport or birth certificate) or child born registered by the Association.

(b) The Association shall not accept for registration any Boarder certified three-parent surrogacy (i.e. single, surrogacy, while maintaining the same or one child) for any particular meeting of the purposes of members for non-registrant members.

34.4.8 ELIGIBILITY FOR REGISTRATION

One Boarder shall be eligible for registration with the Association, upon application in accordance with the terms of these By-Laws.

(a) One Boarder-Child born in Canada or a child registered with the Association and who also registered for Canadian citizenship at birth (i.e. Parental government passport or birth certificate) or child born registered by the Association.

(b) The Association shall not accept for registration any Boarder certified three-parent surrogacy (i.e. single, surrogacy, while maintaining the same or one child) for any particular meeting of the purposes of members for non-registrant members.

(c) Re-enforcing section 34.4.8, a Boarder-Child born in Canada certified three-parent surrogacy or the same or one child born registered with a recognized registry or Boarder-Child born in Canada certified three-parent surrogacy or Boarder-Child born registered with the same or one child born registered with the Boarder and Directors.

Reasoning:

From time to time, there will be a general and long standing rule that a surrogacy passport is currently required. This would allow those off-spring born with surrogacy to be added to the system.
