*Catalog of Sears, Roebuck and Company* Sears, Roebuck and Company, 1962 **The Art of Teaching Science** Jack Hassard, 2005 This is a core teaching textbook designed for the professional development of middle and high school science teachers. Differing from other texts in its constructivist approach to learning and teaching, it provides meaningful learning experiences and connections with the most recent research and understanding of science teaching. Each chapter is organized into two sections: the first focuses on the content of the major theme of the chapter while the second consists of a newspaper-like feature called The Science Teaching Gazette containing a variety of strategies for extending the learning process. Packed with learning tools, hands on inquiry activities, case studies, think pieces and interviews with teachers around the world, this is a remarkably comprehensive textbook designed to prepare a new cadre of science teachers.
