Morel,Tom Evans,2021-09-23 **Trespassers on the Amazon** John Ure,1986 **The Rise and Fall of the Amazon Rubber Industry** Stephen Nugent,2017-12-05 In this engaging book Stephen Nugent offers an in depth historical anthropology of a widely recognised feature of the Amazon region examining the dramatic rise and fall of the rubber industry He considers rubber in the Amazon from the perspective of a long term extractive industry that linked remote forest tappers to technical innovations central to the industrial transformation of Europe and North America emphasizing the links between the social landscape of Amazonia and the global economy Through a critical examination

focused on the rubber industry Nugent addresses myths that continue to influence perceptions of Amazonia The book challenges widely held assumptions about the hyper naturalism of the lost world of the Amazon where the challenge of the tropics is still to be faced and the frontiers of development are still to be settled It is relevant for students and scholars of anthropology Latin American studies history political ecology geography and development studies [Leo Laporte's Technology Almanac](#) Leo Laporte,Michael Miller,2005 Leo Laporte is TV and radio s most recognized and prolific technology personality best known for his humor wit and ability to teach both newcomers and grizzled PC veterans In Leo Laporte s 2006 Technology Almanac Leo provides a year s worth of anecdotes tips factoids and musings about the machines at the center of your life A page is devoted to each day of the year and each page includes several elements typically a single topic essay that takes up most of the page on subjects as varied as ergonomics Easter eggs in popular programs processor overclocking and discount travel Web sites and hints tips references to worthwhile software and goofy trivia [Tropical Rainforests](#) Chris C. Park,2002-09-26 Tropical Rainforests presents the most up to date and wide ranging review of the problems and prospects of the world s most complex and abundant ecosystem Chris Park examines where and how fast rainforests are being cleared drawing on examples from all major forest areas The consequences of clearance are examined at local regional and global scales The author achieves a balanced overview of the current state of the world s rainforests discussing both the consequences of clearance for ecology environments and peoples and the possible solutions such as conservation and protection reforestation sustainable management changing tropical timber trade and international investment programmes Well illustrated with maps figures and photographs and with a comprehensive bibliography Tropical Rainforests provides an essential introduction for students of Geography Ecology and the environment teachers environmentalists development practitioners and the general public [\*\*Exploitation Conservation, Preservation\*\*](#) Susan L. Cutter,William H. Renwick,1999 This text integrates the physical economic social and political considerations in our examination of the major natural resource issues facing the world today It includes a wide range of opinions and interpretations of natural resource issues which provide both a balanced review and a basis for discussion [\*\*Exploration of the Valley of the Amazon\*\*](#) William Lewis Herndon,Lardner Gibbon,1854 [Fifteen Thousand Miles on the Amazon and Its Tributaries](#) Charles Barrington Brown,William Lidstone,1878 [Ecology and Land Management in Amazonia](#) Michael John Eden,1990

[\*\*Discussion Paper\*\*](#) ,1990 [\*\*Land Change Science in the Tropics: Changing Agricultural Landscapes\*\*](#) Andrew Millington,Wendy Jepson,2008-08-15 Land use and land cover change research over the past decade has focused mainly on contemporary primary land cover conversions in the tropics and sub tropics with considerable resources dedicated to the explanation and prediction of tropical deforestation and often ignoring the dynamism in the world s agro pastoral landscapes This collection integrates cutting edge research in the social biogeophysical and geographical information sciences to understand the human and environmental dynamics that change the type magnitude and location of land uses and land

covers in the changing countryside Our contributors are from across the globe and draw on diverse empirical pan tropical case studies and disciplinary influences The research reported examines land use and land cover change in Bolivia Brazil China Colombia C te d Ivoire India Malawi Mexico Pakistan Peru Senegal and Thailand Each chapter in this book advances one of three themes i adaptations and change in settled agricultural zones ii agricultural intensification and iii markets and institutions This book describes the monitoring of land cover changes explains the processes through which land is altered and describes the development of spatially explicit models to predict land change This book illustrates how practitioners have integrated knowledge from the three scientific realms social biophysical and GIScience that underpin land change science

IDS Discussion Paper ,1990    The Autocar ,1957    **Strategic Management of Technology and Innovation** Robert A. Burgelman,Clayton Christensen,Steven C. Wheelwright,2004 The 4th Edition of Strategic Management of Technology and Innovation by Burgelman Christensen and Wheelwright continues its unmatched tradition of market leadership by using a combination of text readings and cases to bring to life the latest business research on these critical business challenges New co author Clay Christensen provides his insights on innovation management and new market entries through several new cases Approximately 40% of the cases are entirely new to this edition Strategic Management of Technology and Innovation takes the perspective of the general manager at the product line business unit and corporate levels The book not only examines each of these levels in some detail but also addresses the interaction between the different levels of general management for example the fit between product strategy and business unit strategy and the link between business and corporate level technology strategy Each part of the book starts with an introductory chapter laying out an overall framework and offering a brief discussion of key tools and findings from existing literature The remainder of each part offers a selected handful of seminar readings and case studies Almost all of the cases deal with recent events and situations including several that are concerned with the impact of the Internet A few classics have been retained however because they capture a timeless issue or problem in such a definitive way that the historical date of their writing is irrelevant    Timber Trades Journal & Wood Processing ,1989    **The Rubber Country of the Amazon** Henry Clemens Pearson,1911 A detailed description of the great rubber industry of the Amazon Valley which comprises the Brazilian States of Par Amazonas and Matto Grosso the Territory of the Acre the Monta a of Peru and Bolivia and the Southern portions of Colombia and Venezuela
