[Fallout: New Vegas - Strategy Guide](#) GamerGuides.com, 2015-11-07 The year is 2281 two hundred years after the old world was eradicated by nuclear fire and now the New California Republic has become powerful along the western coast of what used to be the United States of America. They've expanded east into Nevada but across the Colorado river to the east a united army of tribals Caesar's Legion have been organized under the guise of ancient Rome. War never changes and impending conflict looms between the two sides the prize being the Hoover Dam and control over the Mojave. Stuck in the middle are the residents of Nevada and the jewel in the desert the city of New Vegas. But the mysterious overlord of New Vegas has his own plans for the future of the Mojave. You are Courier six an employee of the Mojave Express who has been entrusted with delivering a mysterious Platinum Chip. The delivery goes horribly awry however and after you are robbed and nearly killed for the package you were carrying you must set out in pursuit of your attackers. Along the way you'll have to navigate the political struggles between factions both large and small making friends and enemies between the various groups as your actions in the Mojave influence your reputation. Ultimately a new overlord of the Mojave will be crowned but will you place that crown upon the brow of Caesar the New California Republic the mysterious ruler of New Vegas or yourself? This guide offers the following Character creation strategies including a run down of SPECIAL attributes Skills and Perks An ideal chronological order of events walkthrough that will take you through the entire Mojave. Complete walkthrough of all the main quests and side quests including faction quests and endings. A power gamey New Vegas Medical Center run for those gamers who want to get off to a great start.
