**Potteriversity** Kathryn N. McDaniel, Emily Strand, 2023-11-17 Potteriversity Essays Exploring the World of Harry Potter presents a written companion to the popular Hermione Approved MuggleNet podcast by the same name. Selected from the top Potter Studies scholars in the field, the diverse authors in the volume provide a range of interpretations of wizarding world stories. Essays include analysis of genre conventions, literary and religious symbolism, the role of games in the series, pedagogical approaches, and politically challenging issues like U.S. race relations, colonialism, and gender and sexuality, including direct attention to J.K. Rowling's controversial statements about trans people. Grouped into the sections Occult Knowledge, Ancient Magic, A Question of Character, Self and Other, Playing Potter, and Teaching the Hogwarts Way, partnered essays precede transcripts of podcast conversations led by the hosts of Potteriversity. The book's essays and conversations aim to engage not only the mind but the spirit, as well as the emotional, personal, and moral responses the Potterverse has evoked in so many people around the world. Fundamentally, this book demonstrates that the characters, stories, and situations of the magical realm promote thinking that helps us navigate our more mundane but no less dangerous world. Perhaps even more importantly, they help us to recognize the magic amid our everyday Muggle realities.

**Just Jump** Laura Heflin, 2025-09-18 Life is a beautiful gift that can either be spent in motion or in stagnation, and every human gets to choose which path they take. Unfortunately, far too often, fear of judgment, imposter syndrome, low self-esteem, and a lack of faith lead to a lack of momentum in one's life, and thus a lack of growth. The constant need to remain safe and in known territory is so often the reason many stay cemented to the ground. Yet a life spent frozen in place isn't the life God designed for us to live. Instead, we were meant to live a full life immersed in faith while boldly taking leaps each day towards becoming
