**Elon Musk** Walter Isaacson,2023-09-13 From the author of Steve Jobs and other bestselling biographies this is the astonishingly intimate story of the most fascinating and controversial innovator of our era a rule breaking visionary who helped to lead the world into the era of electric vehicles private space exploration and artificial intelligence Oh and took over Twitter Australian Financial Review Top 20 Read for 2023 When Elon Musk was a kid in South Africa he was regularly beaten by bullies One day a group pushed him down some concrete steps and kicked him until his face was a swollen ball of flesh He was in the hospital for a week But the physical scars were minor compared to the emotional ones inflicted by his father an engineer rogue and charismatic fantasist His father's impact on his psyche would linger He developed into a tough yet vulnerable man child prone to abrupt Jekyll and Hyde mood swings with an exceedingly high tolerance for risk a craving for drama an epic sense of mission and a maniacal intensity that was callous and at times destructive At the beginning of 2022 after a year marked by SpaceX launching thirty one rockets into orbit Tesla selling a million cars and him becoming the richest man on earth Musk spoke ruefully about his compulsion to stir up dramas I need to shift my mindset away from being in crisis mode which it has been for about fourteen years now or arguably most of my life he said It was a wistful comment not a New Year's resolution Even as he said it he was secretly buying up shares of Twitter the world's ultimate playground Over the years whenever he was in a dark place his mind went back to being bullied on the playground Now he had the chance to own the playground For two years Isaacson shadowed Musk attended his meetings walked his factories with him and spent hours interviewing him his family friends coworkers and adversaries The result is the revealing inside story filled with amazing tales of triumphs and turmoil that addresses the question are the demons that drive Musk also what it takes to drive innovation and progress

**Nimble, Focused, Feisty** Sara Roberts,2016-08-16 Leaders have talked about the importance of corporate culture for decades but the success of iconic companies like GE Apple and Google shows how culture is a strategic lever that can be utilized for driving growth change and innovation In this new age of globalization rapid technology shifts and constant disruption the 21st century marketplace is more volatile and uncertain than ever To thrive businesses need a new kind of emphasis around

culture Sara Roberts former CEO and founder of Roberts Golden and a seasoned executive consultant to dozens of Fortune 500 companies and CEOs sees how flourishing companies from established market leaders to the surprising upstarts share three distinct attributes Nimble They are much faster and more agile than ordinary organizations Focused They use their sense of purpose as a lens to understand and meet the needs of customers and markets Feisty They play big and act bold to capitalize on advantages and out muscle the competition For successful companies in this new era culture is not about playing defense but about going on offense It s purposely designed leveraged and honed to deliver value and drive growth In Nimble Focused Feisty Roberts provides not only a look into what these organizations are doing differently but also a blueprint and framework so your company can create a cultural strategy to thrive in the new era
