Jerry Price,2003-04-02 Here s a breakthrough sourcebook that not only argues that student affairs professionals need to assume leadership roles in campus facilities issues but also provides step by step guidelines in building a successful facility project from the first brainstorming session to the final coat of paint Editor Jerry Price dean of students at Drake University and contributors from all walks of the student affairs profession demonstrate that student affairs professionals are in a

unique position of understanding the role of the campus in environment in students lives Chapters explore balancing multiple needs through innovative facility design options for financing residence hall renovation and construction and the relationship between housing programs and facilities and the institution s education mission Applicable information on assembling the project team the role of communication and ten key lessons for facilities planning renovation and building are also presented Lessons learned in the field are explored as well The UConn 2000 Initiative Case Study tells the story of one institution s success in developing and implementing a public policy initiative that would lead to billions of dollars in renewed investment in the university s core infrastructure Student affairs professionals live with students see how they interact with one another hear why they picked this particular school and listen to the reasons they are succeeding or failing Their education and experience lie in understanding how residence halls student unions dining services recreation and wellness centers and campus grounds each affect students experience in different ways This book demonstrates conclusively that the valuable expertise of student affairs professionals is therefore critical to ensuring that campus facilities projects ultimately achieve their intended goals

**Exploring Cultural Conceptions of the Transitions to Adulthood** Nancy L. Galambos,Jeffrey Jensen Arnett,2003-06-27 The transition to adulthood has been studied for decades in terms of transition events such as leaving home finishing education and entering marriage and parenthood but only recently have studies examined the conceptions of young people themselves on what it means to become an adult The goal of this volume is to extend the study of conceptions of adulthood to a wider range of cultures The chapters in this volume examine conceptions of adulthood among Israelis Argentines American Mormons Germans Canadians and three American ethnic minority groups There is a widespread emphasis across cultures on individualistic criteria for adulthood but each culture has been found to emphasize culturally distinctive criteria as well This volume represents a beginning in research on cultural conceptions of the transition to adulthood and points the way to a broad range of opportunities for future investigation This is the 100th issue of the quarterly report New Directions for Child and Adolescent Development
