**Visions of You** C.Y. Bourgeois, 2011-12-15 Shelby Leight is a wise cracking lighthearted teenager looking forward to a fun filled senior year in high school She already knows the pain of losing a loved one but has worked her way through the grief to come out on the other side Then in the fall of 1975 in the sleepy picturesque town of Palmer Alaska the unthinkable happens There s a serial killer on the hunt and one of Shelybys best friends has disappeared The sudden loss of her friend in such a violent manner awakens something in her an ability to communicate with the dead visions Along with this Shelby falls in love for the first time only to discover the shocking truth about her boyfriend Can she accept him for who what he is Can her friends and family accept him Shelby has a vision of the killer stalking another of her friends and is desperate to stop him before its too late Instead of an enjoyable senior year of high school Shelby and her friends must come to grips with life and death and all they hold in their quest to find a monster before he kills again **Be Without End** Denny

Rutledge, 2019-04-30 It begins in 1876 with our male protagonist fighting the demons of his war years with the Union Army Today we would call it post traumatic stress disorder PTSD His position in the Union Army was sharpshooter There were many many killings The haunts visit Roy at least once a month We meet our female protagonist early in the story Abigail and Roy begin their relationship early on as a working partnership The story continues through four generations The clan reaches twenty four ages infant to Roy s late sixties The last part of the story is about Sammy and his work shooting photos and writing script for an Eastern magazine His assignments are the National Parks and National Monuments of the West Pretty much ends with Sammy and his wife Deloris and son Roy Jr returning to the ranch Completing another circle is this continuing story of Be without End It is fall of 1929 and stock market crash hits the USA But our clan is self sufficient and weathers the lean years without much of a ripple in their lifestyle providing their own produce from the huge garden beef and pork from their own herd eggs cream and cheese and honey from the hives A testament to extended family and sustainability hard work and a creed handed down by Abigail and Roy **Lilly's Choice** Dr. Jennifer Horton, 2020-09-11
