Palestinian Collective Memory And National Identity:

Palestinian Collective Memory and National Identity M. Litvak, 2009-05-25 This book analyzes the evolution and cultivation of modern Palestinian collective memory and its role in shaping Palestinian national identity from its inception in the 1920s to the 2006 Palestinian elections *Collective Memory, National Identity* Michelle Mathew, 2012 **Collective Memory and National Identity in Jordan** Mahmoud M. Na'amneh, 2005 **June 1967 in Personal Stories of Palestinians and Israelis** Regina F. Bendix, Aziz Haidar, Hagar Salamon, 2022 The clash of June 1967 called by Israelis the Six Day War and by Palestinians the Naksa setback is a critical milestone within the longstanding Israeli Palestinian conflict Despite all the scholarly attention ever since there remain unheard voices and untold stories It is the personal stories of people in the region that are at the center of this book How do they remember 1967 How were their lives affected even changed dramatically as a result of that short war Listening to their stories as told some 50 years later an incomplete tapestry of memories and understandings emerge This book is the product of a research collaboration among Palestinian Israeli and European folklorists cultural anthropologists and sociologists The personal stories were collected in the framework of interviews with men and women from all walks of life on the days before during and after this dramatic confrontation The book is comprised of eleven chapters based on a corpus of several hundred conversations as well as eight representative interviews Together they afford insight into differential memories and sensations visions of euphoria and despair newly revived hopes pain and disappointment disillusionment and repentance Traumatic Imprints: Performance, Art, Literature and Theoretical Practice, 2020-09-25 This ebook presents conference proceedings from the 1st Global Conference Trauma theory and practice held in Prague Czech Republic in March 2011 Disputed Memory Tea Sindbæk Andersen, Barbara Törnquist-Plewa, 2016-06-20 The world wars genocides and extremist ideologies of the 20th century are remembered very differently across Central Eastern and Southeastern Europe resulting sometimes in fierce memory disputes This book investigates the complexity and contention of the layers of memory of the troubled 20th century in the region Written by an international group of scholars from a diversity of disciplines the chapters approach memory disputes in methodologically innovative ways studying representations and negotiations of disputed pasts in different media including monuments museum exhibitions individual and political discourse and electronic social media Analyzing memory disputes in various local national and transnational contexts the chapters demonstrate the political power and social impact of painful and disputed memories The book brings new insights into current memory disputes in Central Eastern and Southeastern Europe It contributes to the understanding of processes of memory transmission and negotiation across borders and cultures in Europe emphasizing the interconnectedness of memory with emotions mediation and politics **An Oral History of the Palestinian Nakba** Doctor Nahla Abdo, Nur Masalha, 2018-05-15 In 2018 Palestinians mark the 70th anniversary of the Nakba when over 750 000 people were uprooted and forced to flee their homes in the early days of the Israeli Palestinian

conflict Even today the bitterness and trauma of the Nakba remains raw and it has become the pivotal event both in the shaping of Palestinian identity and in galvanising the resistance to occupation Unearthing an unparalleled body of rich oral testimony An Oral History of the Palestinian Nakba tells the story of this epochal event through the voices of the Palestinians who lived it uncovering remarkable new insights both into Palestinian experiences of the Nakba and into the wider dynamics of the ongoing conflict Drawing together Palestinian accounts from 1948 with those of the present day the book confronts the idea of the Nakba as an event consigned to the past instead revealing it to be an ongoing process aimed at the erasure of Palestinian memory and history In the process each unique and wide ranging contribution leads the way for new directions in Palestinian scholarship

Captive Revolution Nahla Abdo, 2014-08-20 Women throughout the world have always played their part in struggles against colonialism imperialism and other forms of oppression However there are few books on Arab political prisoners fewer still on the Palestinians who have been detained in their thousands for their political activism and resistance Nahla Abdo's *Captive Revolution* seeks to break the silence on Palestinian women political detainees providing a vital contribution to research on women revolutions national liberation and anti colonial resistance Based on stories of the women themselves as well as her own experiences as a former political prisoner Abdo draws on a wealth of oral history and primary research in order to analyse their anti colonial struggle their agency and their appalling treatment as political detainees Making crucial comparisons with the experiences of female political detainees in other conflicts and emphasising the vital role Palestinian political culture and memorialisation of the Nakba have had on their resilience and resistance *Captive Revolution* is a rich and revealing addition to our knowledge of this little studied phenomenon

Nakba Ahmad H. Sa'di, Lila Abu-Lughod, 2007 Contributors examine how the Nakba has shaped the personal and collective memory of Palestinians and how that memory impels their claims for justice

The Folktales of Palestine Farah Aboubakr, 2019-03-21 Folktales are instrumental in ensuring the survival of oral traditions and strengthening communal bonds Both the stories and the process of storytelling itself help to define social cultural and political identity For Palestinians the threat of losing their heritage has engendered a sense of urgency among storytellers and Palestinian folklorists Yet there has been remarkably little academic scholarship dedicated to the tradition Farah Aboubakr here analyses a selection of folktales edited compiled and translated by Ibrahim Muhawi and Sharif Kanaana in *Speak Bird Speak Again* 1989 In addition to the folktales themselves Muhawi and Kanaana's collection is renowned for providing readers with extensive folkloric historical and anthropological annotations Here for the first time the folktales and the compilers work on them are the subject of scholarly analysis Synthesising various disciplines including memory studies gender studies and social movement studies Aboubakr

uses the collection to understand the politics of storytelling and its impact on Palestinian identity In particular the book draws attention to the female storytellers who play an essential role in transmitting and preserving collective memory and culture The book is an important step towards analysing a significant genre of Palestinian literature and will be relevant to scholars of Palestinian politics and popular culture gender studies and memory studies and those interested in folklore and oral literature
