The internet has been fully integrated into people's daily lives worldwide over the past years. The percentage of the world's population with access to the internet has doubled from 32% in 2011 to 63% in 2021. 90% of people from developed countries access the internet in 2021. At the same time, the number of social network users is increasing. These networks have the purpose of connecting with friends. In 2022, 5 billion people have access to the internet worldwide, and 4.7 billion people use social media. SM. Ultimately, 93% of those with internet access own at least one SM account, that is, more than half the population worldwide. Through time, companies found new marketing strategies which reached active people on SM. These platforms are necessary to reach Generation Z people born in the late 1990s. They are different and cannot be reached in the same way as they watch Netflix instead of TV or listen to Spotify instead of the radio, for example. Influencer marketing became a 10 billion industry in 2020. Influencers share their lives on SM networks. Due to their high reach, they receive offers from companies for cooperation. Influencers' followers admire and trust their recommendations due to their personal and authentic representation. While advertising products, influencers show how to use them, where to buy them, and give their opinion. For higher sales, influencers often receive promo codes for a discount or free products for each order. [How To Get Famous On Tik Tok](#) Heather Niedermaier, 2021-08-13. Piper, 2023-03-07. From the godfather of content marketing, this completely revised and expanded edition brings marketers fully up to date on the newest content marketing methods and tools, including Web3. When Epic Content Marketing was first published eight years ago, content marketing was just starting to pick up speed in the marketing world. Now, this approach, which includes everything from blogging to YouTube videos to social media, is the core of most organizations' marketing plans. Fully revised and updated, this new edition walks you through the process of developing stories that inform and entertain and compel customers to act without actually telling them to. In addition to covering all the important social media platforms that have arisen over the past eight years and introducing the creator economy, it shows how to update existing content and make new content that performs in strategic ways. Updates include new content models, structures, and opportunities; content entrepreneurship; content mergers and acquisitions; subscriptions and audience building; team structure; importance of community DAOs and creator networks; content options; NFTs and discord servers; making data-driven decisions to optimize content performance; distributed the right way at the right time. Epic content is the best way to truly capture the hearts and minds of customers. It's
