If you are ready to start saving, then it's time to start **The Complete Guide to Your Personal Finances Online** Tamsen Butler, 2011. With the growth of the Internet, the personal finance industry has boomed, allowing individuals who previously had no control of their money to take the reins and start banking, investing, and controlling funds online without the need for pricey professional help. In a recent report, Fiserv estimates that 72.5 million households use online banking, and the number of people paying their bills online has grown to 36.4 million households. In fact, 200 million people now do their banking on their mobile phones, according to a Juniper Research report. But for many people, the complexities of finance are still too much. Do not let these complexities leave you in the dark ages of using paper to keep track of your finances. The Complete Guide to Your Personal Finances Online provides you with everything you need to know to start managing and investing your money online. You will discover why people flock to the Internet to manage their personal finances and how you can start doing it today. You will learn the basics of online banking, including what you can do, keep track of your checking and savings accounts, pay your bills online, and even apply for loans from the comfort of your own home.
