Puffin by Design Phil Baines, 2010 Late in 1939 a chance meeting between Penguin founder Allen Lane and natural history publisher Noel Carrington changed the future of children's publishing with the formation of a series called Puffin Picture Books The first four titles appeared in 1940 and the series quickly established a reputation for presenting children's non-fiction in a unique blend of editing and design Puffin Story Books soon followed with the publication of *Worzel Gummidge* in 1941 and like the original launch of Penguin itself these story books appeared in the three horizontal stripe design Looking back at seventy years of Puffin paperbacks Phil Baines charts the development of Puffin and the role of illustrators and designers in creating and defining the identity of the Puffin list from the very first picture book through to modern day Rich with stunning cover and inside illustrations and filled with detail of individual titles Phil discusses the changes in typography illustration and printing techniques over Puffin's spectacular 70 year history An extraordinary and beautiful book this is a perfect companion to *Penguin By Design*

How Picturebooks Work Maria Nikolajeva, Carole Scott, 2013-02-01 *How Picturebooks Work* is an innovative and engaging look at the interplay between text and image in picturebooks The authors explore picturebooks as a specific medium or genre in literature and culture one that prepares children for other media of communication and they argue that picturebooks may be the most influential media of all in the socialization and representation of children Spanning an international range of children's books this book examines such favorites as *Curious George* and *Frog and Toad Are Friends* along with the works of authors and illustrators including Maurice Sendak and Tove Jansson among others With 116 illustrations *How Picturebooks Work* offers the student of children's literature a new methodology new theories and a new set of critical tools for examining the picturebook form

Book Review Digest, 1968 Excerpts from and citations to reviews of more than 8 000 books each year drawn from coverage of 109 publications *Book Review Digest* provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language Reviews of the following types of books are excluded government publications textbooks and technical books in the sciences and law Reviews of books on science for the general reader however are included The reviews originate in a group of selected periodicals in the humanities social sciences and general science published in the United States Canada and Great Britain
