**Moon Tortured** Mckenzie Hunter,2015-06-20 Skylar s death came not at the end after a long fulfilling existence not in the middle as a result of an untimely tragic event but at the beginning with her birth As a final effort to save her dying unborn child Skylar s pregnant mother a witch sacrificed herself by invoking a powerful spirit shade to inhabit Skylar s body imbuing her with life For twenty three years Skylar lived a life of oblivion content with her simple job loving adoptive mother and the monthly inconvenience of a full moon hangover after being sedated and caged when she changed into a wolf It wasn t exciting but it was her life until one night she woke up in a strange room in the middle of rural Illinois bruised and with jumbled memories of her mother s death from a vampire attack The Midwest pack comes to her rescue Known for being more ruthless than altruistic she doesn t know if she can trust them But after an assassination attempt by a necromancer an abduction attempt by a mercenary and more aggressive and violent attacks by the vampires she has no other choice but to accept their help The Midwest pack quickly discover that Skylar is the host to a spirit shade who gives her magical abilities that make her as much of a danger as an asset and that she is the key to the vampires plan to perform a ritual that will give them unrestricted power Tension rises as the pack become divided between those who think her life is worth protecting as a potential ally and those who believe she is too dangerous to live In the end Skylar finds herself fighting for her life a life that may be tragically taken too soon     **Moon Tortured** McKenzie Hunter,2015-06-25 Sky Brooks s life started with a death her own Sky s spent the first twenty three years of her life unaware of this among other things She always thought she was just a shapeshifter until she wakes up in a strange house in rural Illinois battered bruised and with only vague memories of her mother s death at the hands of vampires     *Catalog of Copyright Entries* Library of Congress.
