More Small Houses Fine Homebuilding:

More Small Houses, 1998 Fine Homebuilding's popular Great Houses collection brings to life the delight and warmth of small houses. Highlighting charming homes under 2000 square feet, this collection features some of today's best compact house architecture. **Small Houses** Fine Homebuilding, 2019. In this new collection of small houses from Fine

Homebuilding magazine, the authors look at houses both new and remodeled, traditional and modern, urban and rural, by the water and in the mountains. The houses exude as much style as homes many times their square footage and all are as big as they need to be to fit the lifestyles and aspirations of the people who live in them. Houses include bungalow on a budget, magnificent mountain cabin, family friendly remodel, garden cottage for low impact living, design build, delight in the desert, little house on an urban infill, modern Victorian in a mountain resort. With the growing popularity of small, micro and tiny houses, it's no surprise that the average house size is actually trending smaller in recent years. **Small Houses** Fine

Homebuilding Editors, 1992. So long McMansions and rambling square footage, small homes are in. This collection capitalizes on this shift with an all new display of homes with charm, energy, efficiency and loads of possibility. **Small Houses** Editors
