**How Parents Deal with the Education of Their Child on the Autism Spectrum** Jasmine McDonald,2014-11-26

Powerful moral social justice and political arguments have convinced parents that it is their democratic right to place their children on the autism spectrum into mainstream educational environments so that their children may eventually take up their rightful place in a mainstream adult life But what is really happening for some of these parents when they try to gain and maintain an appropriate education for their child in these mainstream contexts and beyond What is the educational experience like for these families who are in the midst of this generational change from historical exclusion to inclusion Current research indicates that while islands of excellent mainstream inclusive practice do exist the educational experience for many students on the autism spectrum can often be one of hostility inconsistency and unreliability Without appropriate understanding of best practice educational methods these students can present an inordinate educational challenge to both parents and educators alike How do parents deal with such complex educational profiles How do they continue to maximize their children s development over time What are the barriers that hinder their quest What are the facilitators that help their quest To answer these questions this book provides an in depth recent examination of the real life journeys of families who attempted to gain an appropriate education for their children on the autism spectrum including the areas of diagnosis early intervention mainstream schooling home education segregated schooling and transition to work and further study Jasmine McDonald BA DipEd MSpecEd Hons PhD is affiliated with the Telethon Kids Institute University of Western Australia Perth Australia Her current work includes trialling a peer to peer mentoring program for tertiary students on the autism spectrum This program runs at Curtin University in Western Australia and will be replicated and evaluated at the University of Western Australia The results will eventually be shared through the Australian Government Autism Cooperative Research Centre CRC website <http://www.autismcrc.com.au>

**The Rapid Weight Loss Plan** Royal Phoenix,Saryn Phoenix,2024-01-03 About the Book How many people have started a new diet plan just to find the food unappetizing the system s rules too complex or the cost too prohibitive Many diet plans do not take into account the schedule of busy people who have little time for diet and exercise but you don t need to know how to cook or exercise continuously to start the weight loss process You don t have to be a world class chef a ton of money for fresh foods or elusive rules to follow these simple guidelines and recipe ideas The Rapid Weight Loss Plan offers more than just quick weight loss it changes your mindset With this new system you can embrace a new way of thinking about yourself and the world around you About the Author Royal Phoenix Saryn Phoenix have been married for thirty years and have seven amazing children As a family they spend most of their downtime playing games together such as Fortnite If they are going to do a physical activity they love to go to the beach as they are fortunate enough to live within driving distance of some of the best beaches in the country
