Hawes, 2002 The 41st Hour encourages Christians to live their faith in the workplace The expectations of our employment in an environment of change and speed require a mental physical and spiritual stretch extending the workweek well into the 41st hour God can be a vital force in our work lives if we make the decision not to leave him out By adopting a

new relationship with God on the job we can begin to feel useful rather than used Effective rather than insignificant Much like Simon and Andrew whom Jesus called to follow Him not as fishermen but as fishers of men we too can change the way we experience this critical area of our lives Book jacket **Religious Books and Serials in Print** ,1982 **Renewed Day by Day Volume 1** A.
