*Psychotherapy for Children and Adolescents* John R. Weisz,2004-02-23 In this book a clinical scientist highlights youth psychotherapies that have been tested and shown to work Treatments for fears and anxiety depression attention deficits and ADHD and conduct problems and disorder are described in detail their conceptual basis explained their clinical application illustrated by richly developed case examples and their prospects for use in clinical practice examined closely This clinical

perspective is complemented by summaries and critiques of the empirical evidence on each treatment and by commentaries on what questions remain unanswered The author's clinical and scientific experience converge to produce a uniquely valuable experience on exemplary treatments for children and adolescents **Kids Mood & Behaviour Journal** Behavioural Journals, 2019-07-26 Anxiety and Depression Carers Journal Logbook This notekeeping journal has been developed for the care of children with Anxiety or Depression with notes for all the key aspects of this diagnosis It is designed to track the daily and weekly needs and patterns and help to establish the most efficient and effective care process As carers the behaviours of children with Anxiety or depression can often seem uncontrollable This book aims to help to reduce those feelings and help you to establish a routine which works for you Caring for someone with Anxiety can be a stressful ever changing experience and will differ from child to child Having up to date accurate information about your child or patient can often lead to the identification of patterns and triggers that help to ease the caring process With this information you will be better equipped to deal with these behaviours and health problems This note keeping journal has been developed for the care of these children with notes for all the key aspects of this diagnosis It is designed to track the daily and weekly needs and patterns and help to establish the most efficient and effective care process With the daily logs you track things like mood activities and treatment positives and negatives and all other key information needed for a caregiver Then with the weekly recap you are asked to summarise and more importantly look for patterns that will ultimately assist you in giving the best care you can These patterns may come in the form of triggers moods at different times of day and what causes them and what has been working By spending a few minutes each day analyzing these aspects you will eventually be able to save time and stress by only doing what is working and avoiding what is not It is important to note that children with this disability will change over time some more rapidly than others but by keeping a journal or logbook these patterns will be able to be swiftly noticed and caring routines will be able to be adapted to these changing needs Key product features 6 x 9 Soft cover Printed on premium white paper Suitable for all pens and Markers Professional perfect binding 150 pages Daily and weekly logs for pattern tracking If you are looking for further resources Check out our other products at Behavioural Journals We develop a number of products including activity books and journals tailored specifically towards those with learning or behavioural difficulties to help make yours and their lives a little bit easier **My Little Mood and Emotion Tracker** Cherry & Cherry & Pickle Publishing, 2020-03-28 My Little Mood And Emotion Tracker Journal An Emotion Journal For Positive Thinking And Self Reflection A journal to write in daily with prompts intended to encourage your child to reflect on their emotions feelings and their day This could be used every day but it is undated so can be used whenever your child would like Each day contains two whole 6 x 9 pages to work on There is a variety of repeating templates but each first page includes Space for the date at the top A section to write about the days best bit A section to share any worries they have A section to log their key emotion for the day A section for logging things such as what they are grateful for or 3 things they loved about the day On the right there

is a variety of 3 daily page templates that repeat throughout the book All of them include some space to draw doodle or stick plus some additional space for things like Extra space for writing A place to write a list of things they made need to remember A space to log a variety of things such as acknowledging someone that made them smile something that made them proud something that helped them that day or things they may have found hard and so on Every journal has over 100 pages and is measured at 6 x 9 inches it has a soft glossy cover and quality black and white interior pages This would make an ideal book for any child that would benefit from logging and acknowledging their feelings and emotions regularly It may also be useful for children who may find communication and expressing themselves challenging such as children with For example Anxiety Autism Adhd or Depression All children can benefit from having a daily journal that they will be able to look back on in future and remember some of the things that we so often forget
