My Double Life Sarah Bernhardt

Sarah Bernhardt

My Double Life Sarah Bernhardt:

My Double Life Sarah Bernhardt, 1907-01-28 *My Double Life* is the autobiography of the French actress Sarah Bernhardt who was internationally famed during her lifetime and afterwards as one of the classical theater's all-time greatest stars. Bernhardt's memoirs are composed with a novelist's or actress's sense of artistry and suspense that leaves no doubt of the charisma for which she was famed in her double life both on and off stage. Yet at the same time as this book very consciously contributes to the crafting of her image, it also illuminates a whole era, not only the world of theater but also the worlds of women, politics, society, Europe, and America, and indeed of history making itself. *My Double Life* Sarah Bernhardt, 2009-12 [My Double Life: The Memoirs of Sarah Bernhardt](#) Sarah Bernhardt, 2022-09-04 In *My Double Life: The Memoirs of Sarah Bernhardt*, the legendary actress offers a captivating glimpse into her extraordinary life, blending personal reflection with vivid storytelling. Written during a time when theatrical arts were transforming, Bernhardt's memoir employs lyrical prose that resonates with the melodrama often found on stage. The narrative not only chronicles her rise to fame, highlighting her groundbreaking roles and the dynamic world of 19th-century theatre, but also delves into her struggles, passions, and the complexities of her identity, revealing the multifaceted nature of the woman behind the theatrical persona. Sarah Bernhardt (1844-1923), often regarded as the first international star, broke barriers in a male-dominated field, renowned for her powerful performances and distinctive voice. Her dedication to her craft, combined with her personal experiences of loss, love, and resilience, shaped her artistic vision and fueled her passion for storytelling. These elements are vividly reflected in her memoir, which serves as both an autobiographical account and a critique of societal norms regarding gender and creativity during her era. I highly recommend *My Double Life* to readers interested in the intersections of art, gender, and identity. Bernhardt's reflective prose invites readers to not only appreciate her theatrical legacy but to also engage with her profound insights into the life of an artist transcending her time. *My Double Life* Sarah Bernhardt, 1907 [My Double Life](#) Sarah Bernhardt, 2013-01-25 The French actress Sarah Bernhardt made an indelible mark on the 19th-century stage, though she was not particularly considered a natural. Yet at some point, she became the actress against whom all others were measured. In her autobiography *My Double Life: The Memoirs of Sarah Bernhardt* (1907), she presents her preferred version of the story of her life. *My Double Life* is the autobiography of the French actress Sarah Bernhardt who was internationally famed during her lifetime and afterwards as one of the classical theater's all-time greatest stars. Bernhardt's memoirs are composed with a novelist's or actress's sense of artistry and suspense that leaves no doubt of the charisma for which she was famed in her double life both on and offstage.
