## **My Journey To Live From The Inside Out:**

**Inside Out** MoDena Stinnette, 2010-12-17 This book is a work of realistic fiction based on the factual life conditions of countless individuals to provide reading enlightenment. It is my hope and prayer that after reading this book society will commit to rethinking its look at ex offenders and what positive impact they can bring to society if they are given a fair chance. Danielle grew up confused and feeling abandoned. She moved from place to place first with her mother then a group home then her grandmother then her father. She grew up feeling that she was unwanted by everyone. Her father and step mother struggled with addiction; her biological mother may have struggled with the same types of issues. She had to live with the guilt of fatal choices she made in her young life which carried through to her adulthood. Danielle struggled with addiction and criminal activity throughout her own life. She spent a large portion of her life in battling the judicial system. She endured physical abuse as a child and as an adult. Death seemed to frequent her life and all those she thought loved and care about her seem to pass away. Her life events seem to finally open her eyes to making a change in her life. When Danielle lost her father, she wanted to get high for the first time since her release from prison. She didn't know what to do with her emotions. She sat in the cold hospital emergency room and thought about her life and what using drugs again would mean for her. She had come so far and she didn't want to lose everything she had worked so hard for. Since her release from prison, she had gained her family's trust and learned to trust herself. Rather than jump up and give in to her moment of weakness, she waited. Danielle discovered that taking away the drugs was only half of her battle. She realized that living life without drugs and criminal activity was the small step to changing her thoughts, feelings, and actions. She just had to figure out how to make those changes successfully.

**My Journey. My Story.** Wendy Blaskovic, 2024-03-25 In today's world, we are constantly juggling expectations and trying to manage the many pressures we feel around us. We all have issues, struggles, and habits that we feel guilt or shame about. We all have beliefs and expectations of ourselves and life that hold us back. Society is also always pressuring us to look a certain way, live a certain way, and project happiness and joy through it all. Essentially, we are surrounded by expectation which can make just being alive a complex, exhausting, and daunting task. For many of us, we are following a path that doesn't quite fit right. What if you could live every day feeling like you are exactly where you should be? What does being authentic mean, look, and feel like to you? What would it take for you to unravel yourself and discover who you really are? It is this search for authentic living that so many of us seek but have trouble achieving. Wendy Blaskovic struggled with the same thing. She felt a separation between who she truly was and what she was being doing on the outside. That disconnection manifested in many challenges along the way: an eating disorder, the abuse of drugs and alcohol, self-imposed isolation, overworking. The feeling of living the wrong life was what pushed her to discover who she truly was. As a life-long learner and educator herself, Wendy only truly unravelled from an unsatisfying life while she was writing her master's thesis on the connection between living, being, and teaching authentically. **My Journey My Story** is a rather unique approach.
