It is a social history of the Eternal City seen through the lens of eating and feeding as it advanced over the centuries in a city that fascinates like no other. The history of food in Rome unfolds as an engaging and enlightening narrative recounting the human partnership with what was raised, picked, fished, caught, slaughtered, cooked and served as it was experienced and perceived along the continuum between excess and dearth by Romans and the many who passed through. Like the city itself, Rome's culinary history is multi-layered, both vertically and horizontally, from migrant shepherds to the senatorial aristocracy, from the papal court to the flow of pilgrims and Grand Tourists from the House of Savoy and the Kingdom of Italy to Fascism and the rise of the middle classes. *The Eternal Table* takes the reader on a culinary journey through the city streets, country kitchens, banquets, markets, festivals, osterias and restaurants, illuminating yet another facet of one of the most intriguing cities in the world. *Adult Catalog: Subjects* Los Angeles County Public Library, 1970 *Chef's Library* Jenny Linford, 2016-10-11 All chefs love and cherish cookbooks, and increasingly, cookbooks have become treasured manuals of the trade as well as beautiful art objects. *The Chef's Library* is the world's first attempt to bring together in a single volume a comprehensive collection of cookbooks that are highly rated and actually used by more than 70 renowned chefs around the world. Readers will discover the books that have galvanized, acclaimed and brilliant culinary talents such as Daniel Humm, Jamie Oliver, Sean Brock, Michael Anthony, Tom Kerridge, Suzanne Goin, Tom Colicchio and many others. Also featured are influential restaurant cookbooks, essential books on global cuisines and specialist culinary subjects and historic favorites that have stood the test of time. Part reference, part culinary exploration, this book is a must-have for any cookbook collector or passionate foodie. *Food in Memory and Imagination* Beth Forrest, Greg de St. Maurice, 2022-01-13 How do we engage with food through memory and imagination? This expansive volume spans time and space to illustrate how, through food, people have engaged with the past, the future and their alternative presents. Beth M. Forrest and Greg de St. Maurice have brought together first-class contributions from both established and up-and-coming scholars to consider how imagination and memory intertwine and sometimes diverge.
