Jane,2019-05-14 The spell protecting Midgard is failing Dragons have returned to the skies Dark elves roam the moors Strange forces throw Ingrid s life out of balance forcing her on a treacherous journey fraught with perils and magic She discovers that she might be the last in her family born with a magical gift and only a mysterious goddess can help her unlock it When she takes matters into her own hands she endangers herself and those she loves on a quest for answers Ingrid is supposed to be the hero But what if she s doomed to destroy all nine realms Pick up your copy of *The Viking Maiden* eBook series today Each book will keep you enthralled to the very last page The complete eBook boxset of *The Viking Maiden* series includes *Ingrid The Viking Maiden* *Amber Magic Realm of Fate* California Cultivator ,1920 The Orange Tree Series of Children's Books.
