## **My Wilderness An Alaskan Adventure:**

**My Wilderness** Claudia McGehee, 2015-03-03 McGehee's lyrical nonfiction story recounts the 1918-1919 winter spent on Alaska's Fox Island from the point of view of nine-year-old Rocky, son of the painter Rockwell Kent. Vivid scratchboard style illustrations echo the rugged subject matter with enchantment as Rocky explores the wilderness and becomes accustomed to island life. Including a Common Core teacher's guide, this engaging book shows Alaska from a young boy's appreciative and imaginative point of view.

**Backpacker**, 1999-04 Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature, and product innovation, has become the gold standard against which all other outdoor industry awards are measured.

*First Wilderness* Sam Keith, 2014-09-15 Fans of the Alaskan classic *ONE MAN'S WILDERNESS* will enjoy reading this memoir of how its author Sam Keith and its subject Dick Proenneke first met. After serving as a US Marine during World War II and attending college on the GI Bill, Sam Keith decided to seek adventure and acceptance in Alaska. He arrived on Kodiak Island in July 1952 where he secured a job as a laborer on the Adak Navy base. He befriended a group of like-minded men there, including Dick Proenneke, who shared a love of the outdoors, hard work, and self-reliance. Keith explored the wilds of South Central Alaska while working on the Navy base and later as a Stream Guard and Enforcement Patrolman. In his hunting and fishing trips with Dick and his friends, Keith found almost everything he sought. But at the end of three years, Keith decided to go outside to pursue other dreams. Dick Proenneke tells him, Sam, you know right well you don't want to leave this country. Don't give up on it. Me and you got to figure something out. In 1973, Keith went on to write *ONE MAN'S WILDERNESS AN ALASKAN ODYSSEY* based on his dear friend's journals and photography. It was reissued in 1999 and won a National Outdoor Book Award (NOBA). In 2003, portions of text from the book and some of Proenneke's 16mm movies were used in *Alone in the Wilderness*, which began appearing on US public television stations. The documentary follows Proenneke as he builds a log cabin with only hand tools and includes reflections on wildlife, weather, and the natural scenery he sees around him. Sam Keith passed away in 2003. But in 2013, his son-in-law, children's book author and illustrator Brian Lies discovered in an archive box in their garage a book manuscript originally written in 1974 after the publication of *ONE MAN'S WILDERNESS*. *FIRST WILDERNESS* is the story of Keith's own experiences at times harrowing, funny, and fascinating. Along with the original manuscript are photos and excerpts from his journals, letters, and notebooks woven in to create a compelling and poignant memoir of search and discovery.

*Wild Men, Wild Alaska II* Rocky C McElveen, 2010-11-14 This long-awaited sequel is equally as exciting, intriguing, humorous as Rocky's first best-selling book *Wild Men Wild Alaska*. It'll thrill, chill, challenge you, make you laugh out loud. Scores told Rocky *Wild Men Wild Alaska* was the best book ever read, begged for more. It's all here, plane

day I found my way into the federal land office in Anchorage the Bureau of Land Management BLM I told the woman working at the reception desk that I was interested in learning more about claiming a federal homestead I picked up every folder brochure and form they had pertaining to filing for a homestead The next year after careful planning and preparation I set out with my son Dan to start the journey of securing my dreams of the future Alaska Wilderness Adventure documents the first step of my lifelong journey It is a true story of survival ism the trials and errors we faced in the extreme wilderness and our triumph over mastering our goals There were many laughs and many moments of uncertainty but in the end it was a successful piece of history
