My Wizard Buddy One:

My Dance with the Zodiac Killer David Coutcher D.C. "David Gold",2017-11-06 At last After a lifetime of silence a man who actually knew the ZODIAC KILLER steps from the shadows and tells his story Finally we hear the REAL truth about The ZODIAC KILLER This is the story of America s most methodical planner and notorious serial killer A man who was completely obsessed with death and who had two life long accomplices This is the story of the Zodiac Killer s personal relationship with the author of this book A relationship that stretched throughout the author s entire life Over and over this grim reaper and his accomplices would appear and attempt to lay claim to the souls that he professed would be his Slaves in Hell The author would lose many friends and acquaintances but he personally would always manage to skirt the edges of death and fool the reaper There is a message for believers in this book Find it understand it and be prepared for what is to come MY DANCE WITH THE ZODIAC KILLER The killer s split personality made his relationship with the author of this book like an intricate dance of suspense in and out of zones of friendship and grave and deadly danger In addition to the true story of how they met and their ongoing relationship this book also contains the author s recounts of some of his near death experiences with The Zodiac Killer *Galaxy Outlaws Mission Pack 2* J.S. Morin,2015-11-01 Just because every job we pull goes supernova doesn t mean this one will Captain Carl Ramsey and the crew of the Mobius are constantly on the run from one bad decision to the next Every time it looks like they might score big something goes wrong But no one ever got ahead by quitting and the only alternative is honest work There are always more jobs to pull more schemes to hatch and more authorities to evade Mission 5 Alien Racer A race contest turns into a heist when Carl can t keep his greed in check But will he be able to pull it off with billions of holo vid viewers watching Mission 6 Retro Version A relaxing getaway on a nostalgic colony sounds like a nice break for the Mobius crew But easy living and keeping a low profile aren t in their DNA Mission 7 Siege of Mortania Mort s past catches up with him and the crew of the Mobius are caught in the wizardly crossfire Mission 8 Moon of Odysseus One of Carl s old squadron mates has stumbled onto the location of a salvage prize unlike any the Mobius crew has ever seen a lost Earth Navy battleship The only problem is the survivors of the crash aren t too welcoming of visitors Bonus Short Story Pinball Wizardry For Esper Theresa Richelieu it s time to graduate from apprentice to wizard But the final exam isn t exactly what she had in mind Black Ocean is a science fantasy series set in the 26th century Do you wish there had been a second season of Firefly Do you love the irreverent fun of Guardians of the Galaxy Have you ever wondered how Star Wars would have turned out if Luke and Obi wan had ditched the rebellion to become smugglers with Han and Chewie Then Black Ocean is the series for you Pick up your copy and aim to misbehave with the crew of the Mobius [Moon of Odysseus](#) J.S. Morin,2015-11-01 One man s crash is another man s treasure Blackjack this is Scarecrow I finally found it We re going to be rich Carl Ramsey gets a comm from an old squadron mate with a lead on the salvage of a lifetime an ARGO battleship The ENV Odysseus doesn t just represent more money than the Mobius crew has ever seen it could provide answers on what

became of the last ship Carl ever served aboard during his time in the navy But experimental battleships don't just fall from the sky and the Mobius will have to overcome whatever caused the Odysseus to crash in the first place On an uncharted moon outside ARGO controlled space Carl and the crew will have to contend not only with local wildlife and warring factions among the survivors but a mysterious magical effect that renders technology inert With the Mobius unable to fly and more potential peril than profit can Carl bring himself to pull the plug on the salvage plan and just find a way to escape Of course not It's time to double down double cross and find a way to still get rich Because some treasures just might be worth dying for Moon of Odysseus is the eighth mission of Black Ocean a science fantasy series set in the 26th century Do you wish there had been a second season of Firefly Do you love the irreverent fun of Guardians of the Galaxy Have you ever wondered how Star Wars would have turned out if Luke and Obi-wan had ditched the rebellion to become smugglers with Han and Chewie Then Black Ocean is the series for you Pick up your copy of Moon of Odysseus and join the hunt for the biggest score the Mobius has ever made Microtimes, 1990-05 **Your Official America Online Internet Guide** David Peal, 2001-11
