**Has Father Daniel Mary established a future direction for the Carmelite Monks of Wyoming? What is his vision for the monastery? What is his vision for Mystic Monk Coffee? What is the mission of the Carmelite Monks of Wyoming?**

Yes, Father Daniel Mary has succeeded in identifying a future direction for the chosen group of monks. His idea to create a brotherhood of 30 monks (not 13 as it was at the moment) at age 19-30 had clear grounds and perspectives to was characterized by the economic success because of the development of Mystic Monk Coffee. His vision for the monastery was based on the necessity to have \$8,9 million to buy a ranch (Turnipseed C-2).

He has to focus on the development of the Mystic Monk Coffee industry and turn the coffee idea to the land (Turnipseed C-2). It was also necessary to transform the ranch into a retreat center, where people could find the required portion of the support, understanding, and personal goals. It was crucial to promote the creation of a Gothic church, a convent for nuns, and a hermitage (Turnipseed C-2). The mission of the Carmelite Monks of Wyoming was to improve the spiritual attitude of the society and underline the place of monks and nuns in the world. Still, the majority of the visions did not have clear evidence.
