K. Mangal, Shubhra Mangal, 2023-07-26 *Essentials of Clinical Psychology An Indian Perspective* offers a comprehensive user friendly introduction to the theory and practice of clinical psychology within an Indian cultural social and educational context The book starts with an introduction of what Clinical Psychology is and what it looks like in practice giving a review of its history and contemporary traditions with an essential emphasis on its development from both a global as well as the Indian perspective The following chapters cover a range of topics such as research methods mental health and hygiene and clinical psychology functions and training The second half of the book then focuses on the classification of mental disorders for knowledge in diagnosing and treating patients with chapters devoted to the description of various types of behavioral and mental disorders appearing in the Diagnostic and Statistical Manual of Mental Disorders DSM and the International Classification of Diseases ICD Disorders examined include eating disorders sleep disorders degenerative disorders psychotic disorders and neurodevelopmental disorders Each chapter ends with chapter summaries review questions and recommended readings Each chapter has its sectionwise summaries and ends with review questions and cited references This textbook will serve as a must have reference for all undergraduate and postgraduate students interested in Clinical Psychology as well as for candidates selecting Psychology as their optional paper in competitive examinations The book is designed according to Indian university course syllabi but also provides a guide to anyone looking to understand the current state of study and practice within Indian Clinical Psychology **The Psychology of Adult**

Learning in Africa Thomas O. Fasokun, Anne Katahoire, Akpovire Oduaran, 2005 Presenting psychology as an applied discipline that can help adult educators be more effective in their work this book analyses the cultural factors that influence the characteristics behaviour and thinking of adult learners It emphasizes the collective orientation of African cultures and the view of the self in terms of interdependent relationships within a community The chapters provide an introduction to the psychology of adult learning and address the following characteristics of adult learning life span development human motivation and participation learning styles facilitating adult learning and guidance and counselling of adult learners

Integrative Approaches to Psychology and Christianity, Fourth Edition David N. Entwistle, 2021-11-03 Since the first edition of *Integrative Approaches to Psychology and Christianity* was published in 2004 this has become the standard textbook on the topic Now in its fully revised fourth edition Dr Entwistle's book elucidates historical philosophical and practical issues in the integration of psychology and Christianity As in previous editions the current text provides an introduction to many of the worldview issues and philosophical foundations that frame the relationship of psychology and

theology includes scholarly reflection on the integration literature and surveys six models of possible relationships between psychology and Christianity ranging from those that are completely opposed to either religion or psychology to intermediate models that assert that some limited interaction between them is possible to viewpoints which suggest that a Christian worldview approach can be used to provide a context for exploring areas of overlapping interest between psychology and Christianity The current edition considers recent advances in both Catholic and Protestant thinking on integration including contemporary questions about what evangelicalism is and is not that shape evangelical reactions to the integration debate New content ranges from information about the contrasting views of Tertullian and Augustine to insights from contemporary psychology about factors that adversely affect the quality and reliability of human thinking to how conflict over COVID 19 has entered contemporary religious debate The book is designed to help readers become aware of the presuppositional backdrops that each of us brings to these issues Questions at the end of each chapter are included to help readers evaluate both the material and their own burgeoning approach to integration This book is ideal as a textbook for students of psychology and other behavioral and social sciences social work sociology theology counseling pastoral counseling at both the graduate and undergraduate level It is also written for the broader readership of psychologists counselors pastors and others who are interested in integration
