

Practising Phonics

At Home and Out and About

If your child is learning phonics at school, you might want to support them at home by doing all that you can!

You might be the first to find out what phonics is, and you might be the first to learn it. If you are, you can help your child learn phonics by reading books together, and by playing games that help them learn phonics. You might also be the first to learn phonics, so you can help your child learn phonics by reading books together, and by playing games that help them learn phonics.

If you are not sure what phonics is, you can ask your teacher, or a grown-up you know, to help you learn phonics. You can also ask your teacher, or a grown-up you know, to help you learn phonics by reading books together, and by playing games that help them learn phonics.

Introduction to Sounds and Words Molly Rodgers,2024-12-31 Using pictures to identify letters and their associated sounds Learning to read is one of life's most important skills and thus a crucial goal of the school curriculum Of the many strategies and tactics that help children become efficient readers no programs have proved more effective than those that include phonics Phonics helps students become independent readers by teaching them to sound out the new words they encounter Just knowing the name of each letter of the alphabet is not enough to attain this skill it is not enough to help them play the word in their heads It is important to know that vowels have long and short sounds that there are different ways of spelling a specific sound and that sometimes two consonants together create a whole new sound while in other combinations each consonant is sounded out separately The Phonics Practice Simplified program will help students develop and master these and other sound symbol relationships that are important building blocks for reading success
