**Fiber** Susan Crawford,2018-01-01 The world of fiber optic connections reaching neighborhoods homes and businesses will represent as great a change from what came before as the advent of electricity The virtually unlimited amounts of data we ll be able to send and receive through fiber optic connections will enable a degree of virtual presence that will radically transform health care education urban administration and services agriculture retail sales and offices Yet all of those transformations will pale compared with the innovations and new industries that we can t even imagine today In a fascinating account combining policy expertise and compelling on the ground reporting Susan Crawford reveals how the giant corporations that control cable and internet access in the United States use their tremendous lobbying power to tilt the playing field against competition holding back the infrastructure improvements necessary for the country to move forward And she shows how a few cities and towns are fighting monopoly power to bring the next technological revolution to their communities

**Philosophy of Western Music** Andrew Kania,2020-04-08 This is the first comprehensive book length introduction to the philosophy of Western music that fully integrates consideration of popular music and hybrid musical forms especially song Its author Andrew Kania begins by asking whether Bob Dylan should even have been eligible for the Nobel Prize in Literature given that he is a musician This motivates a discussion of music as an artistic medium and what philosophy has to contribute to our thinking about music Chapters 2 5 investigate the most commonly defended sources of musical value its emotional power its form and specifically musical features such as pitch rhythm and harmony In chapters 6 9 Kania explores issues arising from different musical practices particularly work performance with a focus on classical music improvisation with a focus on jazz and recording with a focus on rock and pop Chapter 10 examines the intersection of music and morality The book ends with a consideration of what ultimately music is Key Features Uses popular song examples throughout but also discusses a range of musical traditions notably rock pop classical and jazz Explains both philosophical

and musical terms when they are first introduced Provides publicly accessible Spotify playlists of the musical examples discussed in the book Each chapter begins with an overview and ends with questions for testing comprehension and stimulating further thought along with suggestions for further reading *Windows 10: The Missing Manual* David Pogue,2018-06-13 Windows 10 hit the scene in 2015 with an all new web browser Edge the Cortana voice assistant and universal apps that run equally well on tablets phones and computers Now the Creators Update brings refinement and polish to Windows 10 and this jargon free guide helps you get the most out of this supercharged operating system Windows 10 The Missing Manual covers the entire system including all the new features like the three column Start menu the extensions in the Microsoft Edge browser Paint 3D and live game broadcasting You ll learn how to Explore the desktop including File Explorer Taskbar Action Center and Cortana Work with programs and documents Windows starter apps the Control Panel and 3D apps Connect with Edge and email Beef up security and privacy Set up hardware and peripherals including tablets laptops hybrids printers and gadgets Maintain computer health with backups troubleshooting tools and disk management Learn about network accounts file sharing and setting up your own small network Written by David Pogue tech critic for Yahoo Finance and former columnist for The New York Times this updated edition illuminates its subject with technical insight plenty of wit and hardnosed objectivity [Brave Together: Lead by Design, Spark Creativity, and Shape the Future with the Power of Co-Creation](#) Chris Deaver,Ian Clawson,2023-12-05 Brave Together is a powerful book that can transform the lives of leaders creators or anyone looking to shape the future It comes from the thought leaders who helped Apple shift the culture from thinking different to working different together Groundbreaking Get ready to be inspired and join the co creation movement Marshall Goldsmith Thinkers50 1 Executive Coach and New York Times bestselling author of The Earned Life Brave Together is an exhilarating exploration of genuine collaboration where every voice matters and every idea is a potential catalyst for transformation Daniel H Pink 1 New York Times bestselling author of Drive To Sell is Human and The Power of Regret How did Apple overcome a culture of secrecy How did Pixar out innovate Disney Why do companies kill creativity Does Shark Tank teach us something about the way we pursue success that isn t true We ve been told that working harder and smarter is the only way to succeed in business and life But it s not true Hustle culture is causing burnout and pain in our lives making us feel divided What if instead we focused on working creatively with others And asked How can we shape cultures people love There is hope in co creation Brave Together is a deep exploration into how we can live and lead as co creators filled with unexpected stories powerful principles and a future oriented framework The authors have pressure tested this work with startups and Fortune 500s including Apple Coaching leaders how to reimagine their approach to culture converting creative ideas into billion dollar solutions with the help of these patterns The Mirror Test Take ownership of your reality and your creative identity The Hero s Sacrifice Break free of ego to connect with others in inspiring ways Become the Future Create a synthesis manifesting the best in mind heart and spirit Chris Deaver and Ian Clawson have
