Wittner, Kristin Blakely**

## **Medicalized Masculinities:**

*Medicalized Masculinities* Dana Rosenfeld,Christopher Faircloth,2006-02-15 Emphasizes the place of the male body in the sociology of medicalization and gender     **Routledge International Handbook of Masculinity Studies** Lucas Gottzén,Ulf Mellström,Tamara Shefer,2019-11-20 The Routledge International Handbook of Masculinity Studies provides a contemporary critical and scholarly overview of theorizing and research on masculinities as well as emerging ideas and areas of study that are likely to shape research and understanding of gender and men in the future The forty eight chapters of the handbook take an interdisciplinary approach to a range of topics on men and masculinities related to identity sex sexuality culture aesthetics technology and pressing social issues The handbook's transnational lens acknowledges both the localities and global character of masculinity A clear message in the book is the need for intersectional theorizing in dialogue with feminist queer and sexuality studies in making sense of men and masculinities Written in a clear and direct style the handbook will appeal to students teachers and researchers in the social sciences and humanities as well as professionals practitioners and activists

**International Guide to Literature on Masculinity** Diederik F. Janssen,2008 International in scope this guide lists references by world region selected nations selected American ethnic minorities and Christianity and Judaism Specific ethnic minorities covered include American Indians African Americans and Asian Americans     *The Medicalization of Society* Peter Conrad,2007-06-11 Building on more than three decades of research Peter Conrad explores the forces behind the trend to treat what were once commonly considered normal human conditions as medical ailments Using case studies of short stature social anxiety male menopause erectile dysfunction adult ADHD and sexual orientation he examines the emergence of and changes in medicalization the consequences of the expanding medical domain and the implications for health and society This thought provoking study offers valuable insights into how medicalization got to this point and where it is heading

**Caribbean Masculinities** ,2002     **Men and Masculinities** Stephen M. Whitehead,2006 The sociology of masculinity began to assume real significance from the late 1980s onwards Part of Critical Concepts in Sociology series this five volume set brings together material in the field and serves as a useful resource for scholars and students

**Masculinities** ,2000     *Gendered Worlds* Judy Root Aulette,Judith G. Wittner,Kristin Blakely,2009 In Gendered Worlds the authors use the sociological imagination to explore gender relations throughout the world They look at how concrete forms of gender race class and sexual inequality operate transnationally examine the impact of globalization on local and everyday life experiences and identify how local actors re imagine social possibilities resist injustice and work toward change Integrating theory with empirical studies that are of particular interest to college students including research on violence sports and sexuality the authors make gender concepts genuinely interesting and accessible They also demonstrate how students can think critically about gender both within and beyond the classroom Each chapter begins with an opening scenario about an individual experience of gender and then traces how macro level factors shape that micro

experience A section entitled Gender Matters follows each chapter to summarize the micro macro connection **Sex, Violence and the Body** Vivien Burr,Jeff Hearn,2008-10-30 Examines sex violence and the body through a focus on the multiple and fascinating relationships between sexuality and wounding in both the real world and representations Drawing on a range of disciplines including cultural and media studies sociology and psychology this book explores social practices such as S M and cosmetic surgery

**French Masculinities** Christopher E. Forth,Bertrand Taithe,2007-07-11 French Masculinities makes a valuable contribution to gender studies by presenting for the first time a comprehensive and critical overview of ideas of how virility has been imagined in France from the Eighteenth century to the present Incorporating insights of cultural and social historians as well as specialists in film and literature this collection approaches masculinities in a complex and interdisciplinary manner that will appeal to a wide range of readers

**Gender Inequality** Judith Lorber,2010 In Gender Inequality Feminist Theories and Politics Fourth Edition internationally renowned feminist Judith Lorber examines various evolving theories of gender inequality Tightly structured around Lorber's own paradigm of reform resistance rebellion this combination text reader acknowledges feminism's significant contributions to redressing gender inequality and celebrates its enormous accomplishments over the last forty years It also documents feminism's ongoing political activism and with an awareness of postmodern and third wave trends points toward its future Significantly rewritten reorganized and updated the fourth edition features seventeen new readings and new sections on feminism in China India South Korea and Japan In addition the bulleted lists that introduce each type of feminism now include a critique as well as that particular feminism's theories on the sources of gender inequality its politics and its contributions An accessible engaging classic written by one of sociology's first feminists Gender Inequality Feminist Theories and Politics Fourth Edition is an ideal undergraduate and graduate text for courses in introductory feminism feminist theory and women's studies

**Gendered Bodies** Judith Lorber,Lisa Jean Moore,2007 For centuries the biological sciences have dissected measured and probed the human body as a product of nature But from a feminist perspective the human body is a social production Human bodies are shaped and controlled by the norms and expectations of gendered social orders intersected by racial class religious and age norms and expectations The result is a gendered body produced for a gendered social world In this concise text with readings designed for undergraduate students Lorber and Moore present feminist contributions to social and cultural studies of the human body showing the construction of gendered bodies in different contexts The authors argue that the ideology of the perfect body is a powerful means of social control for girls and boys as well as women and men The authors show how children's bodies are gendered through games and sports and shaped and modified throughout adulthood to meet social expectations Each chapter includes a list of key concepts three readings recommended books and articles and Internet sources For the instructor the book includes class exercises and a list of films with somatic themes

**Rethinking ADHD** Sami Timimi,Jonathan Leo,2009-03-31 This book brings together for the first time a selection of international critiques on the role

of ADHD in our society today looking at how diagnoses have increased in recent years and the reasons behind this Topics range from genetics to social culture offering a comprehensive overview of this area **Footnotes ,2004 Feminist Periodicals ,2007 Biomedicalizing Schoolroom Performances** John J. Moss,2009 **Men & Masculinities [2 Volumes]** Michael S. Kimmel,Amy Aronson,2004 The first encyclopedia to analyze summarize and explain the complexities of men s lives and the idea of modern manhood The process of making masculinity visible has been going on for over two decades and has produced a prodigious and interesting body of work But until now the subject has had no authoritative reference source Men Masculinities a pioneering two volume work corrects the oversight by summarizing the latest historical biological cross cultural psychological and sociological research on the subject It also looks at literature art and music from a gender perspective The contributors are experts in their specialties and their work is directed organized and coedited by one of the premier scholars in the field Michael Kimmel The coverage brings together for the first time considerable knowledge of men and manhood focusing on such areas as sexual violence intimacy pornography homophobia sports profeminist men rituals sexism and many other important subjects Clearly this unique reference is a valuable guide to students teachers writers policymakers journalists and others who seek a fuller understanding of gender in the United States Nearly 400 A Z entries from aging and intimacy to puberty and Westerns Cross references in each entry to other relevant entries An impressive list of contributors including many of the world s premier scholars Illustrations of key historical events people and ideas that enhance understanding of the material **Men's Lives** Michael S. Kimmel,Michael A. Messner,2010 Edited by two of the field s most prominent researchers this best selling reader on men and masculinity contains the most current articles available Organized around themes that define masculinity this reader takes a life course perspective using the idea that men as well as women are gendered and that this gendering process is a central experience for men **American Book Publishing Record ,2006 Comprehensive Handbook of Social Work and Social Welfare: The profession of social work** Karen Marlaine Sowers,Catherine N. Dulmus,2008 V 1 The profession of social work v 2 Human behavior in the social environment v 3 Social work practice v 4 Social policy and policy practice

Yeah, reviewing a books **Medicalized Masculinities** could mount up your near contacts listings. This is just one of the solutions for you to be successful. As understood, talent does not suggest that you have extraordinary points.
