*Orthus Christi: Meditations for Advent* Mother Paul,2013-01-28 The word Advent derives from the Latin word meaning coming The Lord is coming We may reflect that every year at this time we celebrate his coming so that in a sense we can lose the feeling of expectancy and joyful anticipation because at the end of the season everything seems to return to pretty much the same routine If that is the case then our preparation may have been lacking and we have therefore been robbed of much of the true meaning of this season During Advent we recall the history of God s people and reflect on how the prophecies and promises of the Old Testament were fulfilled This gives us a background for the present Today we can reflect on the past track record of God and so begin to understand what it means to us now for the sake of what is to come in our own future and that of our world Reading these Meditations we discover with surprise how much spiritual food is obtainable from a study of the lessons and liturgy of Advent Mother St Paul is always a heart searcher She presses self reform upon souls who to the eye of outward observers and perhaps in their own conceit have little or nothing to amend We must always be following Christ and Christ is ever moving forward Deliberately to stand still is to widen the distance between ourselves and Him an ungenerous not to say a dangerous thing to do What are called here Meditations may well be taken for daily spiritual reading in preparation for Christmas Advent after all is a season of joy and these Meditations must be taken in a joyful spirit Courage and enthusiasm in the cause of Christ is the supreme need of all Catholics who really love His coming 2 Tim iv 8
