### 50 Hand Drawing Mandala Therapeutic Stress Relief Adult Coloring Book

Chico Publishing Group,2020-01-31 Coloring Mandalas as a Meditation Technique Coloring mandalas could be a great way to establish a movement meditation practice Mandalas directly mimic the practice of meditation which encourages you to take small steps over a period of time to release layers of the self and the outside world to reach a place of inner clarity and peace As you color a mandala from the outside to the inside you can focus on letting go of an external thought worry or burden with each layer and concentrate on being present in the current moment Then as you continue to color and move closer and closer to the innermost layer your thoughts about yourself and the outside world can begin to dissipate and your mind and body can begin to feel more connected engaged lighter and free Each mandala is a unique professional quality creation hand drawn by
